

Ely St John's Primary School

Year One Bulletin

3rd November 2023

Dear Parents and Carers,

We hope you all had a restful half-term. The children have explored all things fireworks this week and have produced some wonderful art, craft and construction pieces linked to the celebrations.

In Phonics this week, the children have learnt the sound /igh/ as in tie. Please encourage your child to complete their home learning activity sheet to help consolidate this learning – thank you.

The year 6 children will continue to come into classes every afternoon to collect donations for the Royal British Legion. If you would like your child to make a donation and receive a poppy, we encourage any money to be brought in in a named envelope.

We hope you have a great weekend.

Kind regards,

The Year One team
