In our English this week, Murph has to go to a new school and he has no idea what to do, where to go or what is happening because he is the new kid in town and no one helps him. Poor Murph!

When you go to your Secondary school, you will be given lots of information about the school before you start in September. **In your homework book, make a list of 10 things** you already know about your new school. They may be things that you noticed when you visited or they may be things a friend or sibling has told you.

(If you don't yet have the final decision about your new school, you could choose an imaginary school like Hogwarts that you have visited in books or TV and list the things you know about that school or don't do this task until you do know.)

You could include uniform, houses, homework, buildings, teachers, friends in other year groups, subjects, routines such as breaks and lunch, sports, clubs - wow! You know so much already! If you are not sure, check to the school website and have a sneaky peak.
