Outdoor Maths

Look back at your maths trail from Thursday and Friday of last week - did you finish it? Give it to another family member to follow. We will be sharing our maths trails in school today as well.

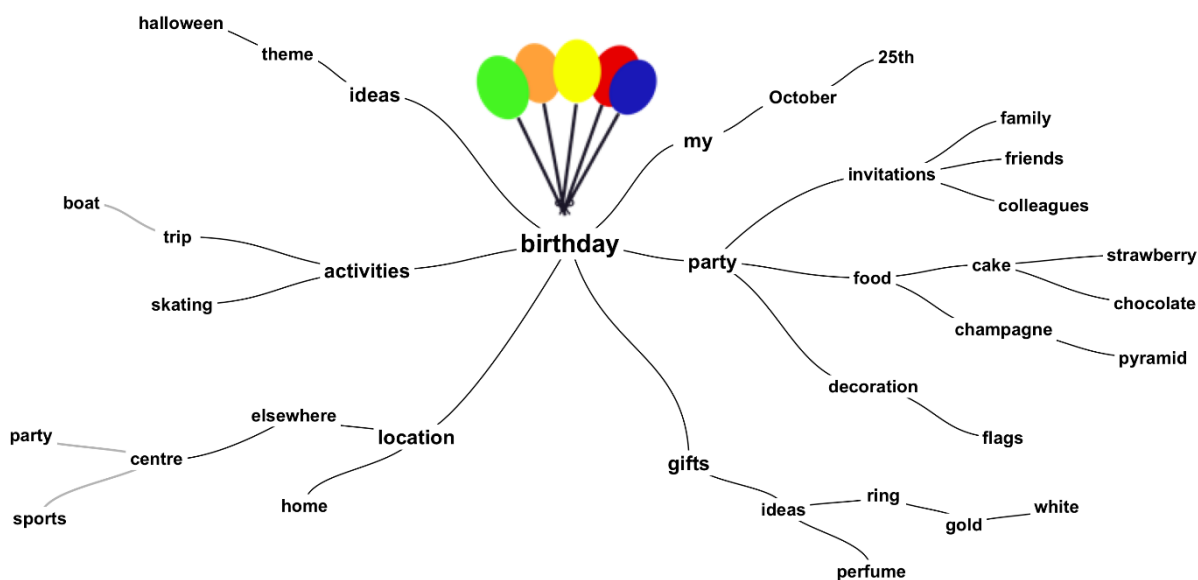

Tuesday

Daily warm up - 5 bronze calculations from Corbett Maths (July 14) or 5 calculations from Arithmetic Exercise 5 - it's your choice!

Maths Board Game (4 days)

Create a maths board game. Begin by gathering ideas - this is a very important part of the process and mind maps are great for this. Write all your thoughts and ideas down on a mind map. For information on mind maps, go to <https://simplemind.eu/how-to-mind-map/basics/>. Here is an example of a mind map...

Wednesday

Daily warm up - 5 bronze calculations from Corbett Maths (July 15) or 5 calculations from Arithmetic Exercise 5 - it's your choice!

<https://corbettmathsprimary.com/5-a-day/>

Maths Board Game

Continue with your board game today. You can look at Gary Hall's website to get some ideas if you like but I bet you came up with some great ideas of your own yesterday.

<https://garyhall.org.uk/make-maths-board-games.html>

Thursday

Daily warm up - 5 bronze calculations from Corbett Maths (July 16) or 5 calculations from Arithmetic Exercise 5 - it's your choice!

<https://corbettmathsprimary.com/5-a-day/>

Maths Board Game

If you haven't started to design your board, today's the day - try to be as original as you can! If your board is finished, think about designing your own counters or writing the instructions or making a set of question cards...

Friday

Daily warm up - 5 bronze calculations from Corbett Maths (July 17) or 5 calculations from Arithmetic Exercise 5 - it's your choice!

Activity

Maths Board Game

Finish making your game today and find somebody to play the game with you!
Happy summer holidays, Year 4, from Mrs Hambley and the team!
