St. John's Standard

Headteacher's Notes:

One of our EJ Way statements is at the forefront of our minds this week and next week in particular - 'We know how to share our thoughts and feelings'. I was very impressed talking to several children this morning about their knowledge and understanding of Remembrance Day and what it means for them. As well as sharing in a minute of silence as a whole school at 11:00am today, children across the year groups have been thinking about and discussing what it means 'to remember' and why it is important. As well as wearing the poppy as a symbol of this, and supporting the Royal British Legion appeal, many of the children have been sharing their own experiences and thoughts with teachers and classmates this week. We are very proud of them all!

As we move into next week, our thoughts and feelings (and how we share them) are a key part of the 'Anti-Bullying Week' 2022 theme - 'Reach Out'.

On Monday, we are inviting all children and staff to take part in 'Odd Socks Day' to celebrate the importance of individuality and the freedom to choose. I'm hoping there will be some snazzy socks on show!

Throughout the week, in assemblies and in class, children will be exploring the key messages of 'Anti-Bullying Week' and understanding that it is always ok to 'Reach Out' and ask.
