

# Foundation News!

18th July 2025

## This Week

The highlight of our week was Numberblocks Day! Recording facts about our favorite numbers, making number puppets, sharing counting songs, and scoring points in games were just a few of the Numberblocks themed activities that showcased the children's super counting skills and number recognition. Thank you for your support with the children's outfits - they looked super!

We have had lots of conversations about Year 1 and what the children are looking forward to in September. Many of the children have written letters to their Year 1 teacher to share their thoughts. We hope the Year 1 team will enjoy reading them.

In maths, we have been challenging ourselves to beat our Beat That scores.

Our Poetry Basket this week is *Dance*.

## Messages

Please make sure that children have bookbags in school next week—there are lots of bits and pieces to send home! Reading wallets will be collected in on Monday. Thank you for your help with this.

Diary Dates:

Tues 22nd July: Last day of the school year.

Mon 1st September: Inset day for staff

Tues 2nd September: New school year begins

Happy Birthday to  
**Owen, Hugo and Ivy for the  
weekend!**
