Year Two Bulletin

14<sup>th</sup> March 2025

We've enjoyed celebrating British Science Week through assemblies, live lessons, a visit from a scientist, exploring the frogspawn in the Nature Garden pond and taking part in experiments during our science lessons! Make sure to ask your children about what they've been up to

- we wonder if they can name the three different sciences they learnt about on Thursday? Look out for pictures on our Year 2 Blog.
