

Note: Due to the partial 'closure' of school from March 2020, not all areas of focus for Sport Premium Funding 2019/20 were achieved fully. In particular, the majority of inter-school sports competitions (scheduled for the end of Spring and the summer term in most cases) and 'School Games Days' did not take place. Government funding for Sport Premium is continuing in 2020/21 which will allow the school to re-focus efforts on the targets not achieved last academic year. In recognition of the unique circumstances of 2019/20, all schools have been awarded a 'School Games Mark' level the same as achieved in 2018/19 – Ely St. John's remain therefore at 'Gold' School Games Mark level.
