

What a Wonderful World

By Poppy

I see happy birds, people singing too
I see them sing, for me and you
And I think to myself, what a wonderful world

I see the sky of blue, and shapes of white
The bright sunny day, the dark peaceful night
And I think to myself, what a wonderful world

The colours of the rainbow, so pretty in the sky
Are also on the faces, of people going by
I see friends shaking hands, saying good day
They're really saying, I love you

I hear children playing, I love watching them run
And I think to myself, what a wonderful world
And I think to myself, what a wonderful world

Oh Yeah!
