

# 6th School Council Meeting

## 10th May 2017

1. We are very happy that Mr Aston announced the opening of the 'Peace and Tranquility Club' this week. It takes place in the gallery and each year group has got a turn one day of the week.

School Council have tirelessly campaigned for such a chill out club where children are welcome to relax and do quiet activities indoors.

Today we came up with list of essential and desirable items to equip the club with.

2. The Friends have asked us to run two stalls at the upcoming Summer Fayre. So please support our fundraising efforts by visiting our stalls!

3. We looked at all the fabulous school displays that all year groups recently had done. We were very impressed and left feedback.

### ACTION POINTS FOR CLASS COUNCIL:

- School council members to ask children what they think of Peace & Tranquility Club.
- Mrs Jähnigen to order equipment for Peace & Tranquility Club.

### NEXT SCHOOL COUNCIL MEETING:

To be confirmed
