

Dice Addition Game

Roll three dice and write the numbers in the first 3 boxes. Add the numbers and write the answer in the final boxes.

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$

$$\square \square + \square = \square \square$$
