Week 8

When You Can't Hug

This week we are looking at the story 'When You Can't Hug. Watch the story video on the school website and then complete the challenge...

Challenge:

There are lots of ways that we communicate and send messages to others. Your challenge this week is to write down the different ways that you communicate with your friends and family, each day. By Friday, you should have written at least five sentences.

Extra Challenges:

Can you learn to spell the days of the week correctly? Can you extend your sentences? Are all of your tricky words spelt correctly?

Example Template:

On Monday I
On Tuesday I
On Wednesday I
On Thursday I
On Friday I

My Example:

On Monday I phoned my nanny.
On Tuesday I used FaceTime to talk to my best friend.
On Wednesday I sent a postcard to my aunty.
On Thursday I wrote a letter to my teacher.
On Friday I spoke to my friends on Zoom.

Phonetically Plausible Example

On Monday I foaned my nanee.
On Tuesday I yoosd fais tighm to tork to my best frend.
On Wednesday I sent a poastcard to my arntee.
On Thursday I roat a letter to my teecher.
On Friday I spoak to my frends on Zoom.

Remember to use **'think it, say it, write it, read it'** to help you write your sentence. Remember capital letters, full stops, and finger spaces. It will really help you if you re-read your sentence from the beginning before writing your next word; this will help make sure that your sentence makes sense with the words in the right order.

Note for Parents/Carers

We understand that families are all very busy at the moment. If you do not have time to complete this literacy activity, please spend some quality time talking with your child about the video. Talk about any concerns or worries that they might have.
