

# Welcome to Year 4

We are all very excited  
about seeing you in the  
Autumn Term.

# Class Teachers

I have four children, a house elf and a pet dragon named Norbert. In my spare time, I enjoy going to the theatre and playing Quidditch.

Mrs Hambley  
Monday, Tuesday & Wednesday

I have three children, two dogs, a cat, a lizard and a rabbit! I have found lockdown a bit boring so am very excited to meet my new year 4 class. I like to do lots of fun things when I am teaching, one of my favourite days in Year 4 is Roman Day where we all get to dress up and try Roman food!

- pencil
- pen
- rubber
- sharpener
- ruler
- small selection of colours (gel pens, felt pens and/or pencils)

# PE kit...

## Autumn Term

For the first half of the Autumn Term, in order to support us following best practice safety guidelines for PE in light of the current situation, **we ask that no PE kit is brought into school.**

PE sessions will still take place (primarily outdoors) but children will not be asked to get changed into PE kit.

**On a day when your child has PE** (information on which days this is will follow in September), **we ask that they come to school in trainers and PE shorts/tracksuit bottoms.** Normal white school polo shirts and green jumpers will still be worn on these days.

You can bring in a reading book from home to read after lunch if you would like to...

# Homework

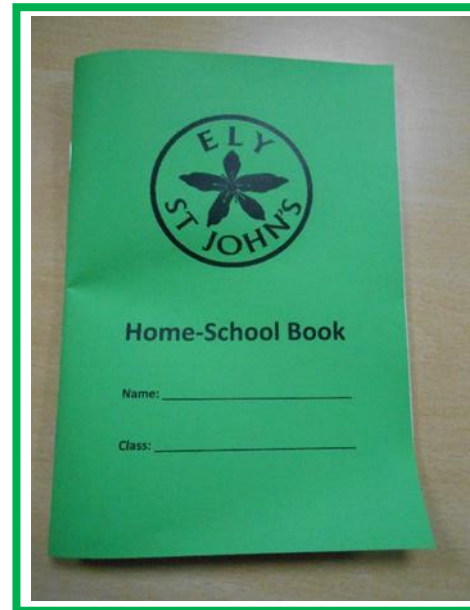

We ask children to read regularly at home, to learn their spellings and to practise their multiplication tables so that they know them 'off by heart'. All these tasks are independent activities and we think that about 20 minutes is the right amount of time to spend on them each day.

We also set one other job each week.

For example, create a piece of art using natural objects. Take a picture of your work if you can. If not, draw it in your Homework Book.

# Messages in Year 4

The children will be given a Home/School Book early on in the Autumn Term. This book is for children to write their homework jobs in and for teachers and parents to send messages to each other if needed. We ask children to bring this book in to school every day and to keep it on their table.

# Over to you

We would like you to do a job for us over the summer. Create a poster, booklet or PowerPoint about yourself. Tell us about your family, your hobbies, your thoughts about Lockdown and learning at home, what you have done over the summer, your favourite book, game or film...Bring this with you when you come to school in September.

And now....enjoy the summer holidays!

# Any questions about the new academic year?

Contact the office and they will pass them on to us.
