LO: To know the order of the days of the week, months of the year and the four seasons

In your 'everything book' create a calendar that displays.

- Days of the week
- Months of the year
- Seasons
- The weather

Before you begin, practice spelling the days of the week, months of the year and the four seasons correctly.

Think about the pictures you could draw for the different types of weather.

Remember to use an interesting layout and bright colours to make it attractive.

There are some calendar resources on Twinkl that may help you. Membership is free to all parents at the moment.
