

## Year 1 Newsletter

W/C 28.9.2020

Dear Parents,

Thank you so much for coming to the parent consultation evenings. It was lovely to meet you and to speak about your child. We hope you found it useful and we look forward to seeing you again in the near future.

This week the children have been really busy writing about their own superpowers. We have also managed to look at the photos when they were younger and they talked about the different changes that happened between then and now. If children do any writing at home, please encourage them to use capital letters at the start of a new sentence and finish the sentences with full stops. We have also been focusing on writing with finger spaces between words.

Next week we will be making shakers as musical instruments as part of our continuous provision activities. If you have any spare, small, plastic bottles that children can use, please send them into school. Thank you

### Literacy:

We will be reading and learning about the story: The three bears. We will be using repeating patterns and having a go at writing simple sentences.

### Numeracy

Place value, greater than/less than any given number and recognising numbers up to 30. (up to 100 with more able children)

### Homework:

We have already had some beautiful pieces of homework sent into class. Please continue to use the homework grid.

### Reading

Please try to read with your child daily and sign their green reading record book. Thank you.

### CLIC Learn-It's

$1+9=10$  and  $9+1=10$   
 $6+4=10$  and  $4+6=10$   
 $5 + 5 = 10$
