

5th School Council Meeting

22nd March 2017

1. First we talked about what went well on World Book Day. All agreed that we'd like to dress up again next year. Most wanted to take reading buddies as well. Although the book swap was considered a good idea, some classes fed back that there hadn't been enough books brought into school, which led to some disappointment. So we agreed that we should have an alternative activity next year, for example reading with a child from another year group.

2. Most classes handed back Mrs Pitt's Healthy Lifestyle survey with lots of thoughtful contributions. Thank you! Mrs Pitt will use your ideas to plan a Healthy Lifestyle Week in the Summer Term.

3. School council members fed back the results of their vote and the majority of classes wants option 1 (Cosy corner inside school with bean bag) closely followed by option 2 (a new game for each class for wet play). So we started doing some internet research on things to buy from our £278.50 to equip our brand new cosy corner. Watch this space!

ACTION POINTS FOR CLASS COUNCIL:

- School council members to feed back about new cosy corner to classes during class council.
- Mrs Jähnigen to talk to Miss Basset and Mr Aston about possible location of cosy corner.

NEXT SCHOOL COUNCIL MEETING:

To be confirmed
