

Ely St. John's Primary School

Weekly Learning – Year 3

WB 18th May

Maths

This week you will need to access the White Rose Hub website to find your maths lessons.

Go to: <https://whiterosemaths.com/homelearning/year-3/>

You will need to use the **Summer Term Week 5 lessons**.

The screenshot shows the 'Home Learning – Year 3' page. On the left, a list of lessons is shown with expandable icons (+). The first item is 'Summer Term - Week 5 (w/c 18th May)', which is highlighted by a green arrow. Below it are 'Summer Term - Week 4 (w/c 11th May)', 'Summer Term - Week 3 (w/c 4th May)', 'Summer Term - Week 2 (w/c 27th April)', 'Summer Term - Week 1 (w/c 20 April)', 'Week 2', and 'Week 1'. On the right, a sidebar menu shows 'Home Learning' with sub-items: 'Easter Fun', 'Summer Term', 'Home Learning – Early Years', 'Home Learning – Year 1', 'Home Learning – Year 2', 'Home Learning – Year 3' (highlighted), 'Home Learning – Year 4', and 'Home Learning – Year 5'.

Watch the video lesson and complete the sheets for each lesson. The sheets are no longer available to download straight from White Rose, so you can find the worksheets you need in the Y3 closure curriculum area of our school website.

Lesson 1- Unit and non-unit fractions

Lesson 2- Making the whole

Lesson 3- Tenths

Lesson 4-Count in tenths

Lesson 5- Friday challenge (Challenges 1 and 2 will be easier, 3 and 4 will be a bit trickier.)

ADULTS PLEASE NOTE:

The White Rose videos make reference to the BBC Bitesize resources. You can access those here if you would like some extra support or materials to use with your child.
