

Silent letters

We want you to know how to spell all of these words and what they mean.

Look at the word, **cover** it, **write** it out, **check** it.

Do this at least a couple of times for each word.

Put each word into a sentence and get an adult to see if you've used it correctly.

<p>Silent n autumn damn column government environment solemn condemn hymn</p>	<p>Silent u biscuit tongue built build guess guilty guard guide guarantee disguise silhouette guitar rogue baguette</p>	<p>Silent h hour chorus ache ghost choir Christmas honest chaos which rhythm monarch whether stomach choreograph vehicle technique heir scheme</p>
