

Friday: English

Over this half term we are learning about different bears. On Friday, you will have a chance to write a fact book about the different bears. This week, can you write about a panda? It could be a page, a book or a poster. You could draw a picture and label it, add interesting facts, find out where they come from. What do Pandas eat? What do they look like?

This is a link to a webcam at Edinburgh Zoo. You can look at the panda, penguins, tigers, lions and a koala. So far, I have learnt that pandas sleep for a lot of the day!
