

Turns

I can recognise and use right angles in turns.

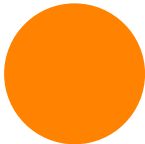

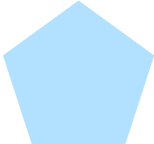

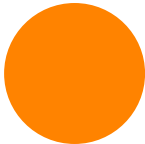

Use this diagram to help you answer the questions on the next page.

Turns

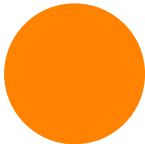

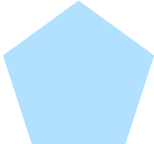

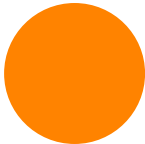

Where will the child be facing after they turn?

Start Facing	Turn	Finish Facing
	1 right angle clockwise	
	2 right angles clockwise	
	1 quarter turn clockwise	
	1 half turn clockwise	
	90 degrees clockwise	
	180 degrees clockwise	
	1 right angle clockwise	
	2 right angles clockwise	
	180 degrees clockwise	
	1 right angle clockwise	

Turns Answers

Where will the child be facing after they turn?

Start Facing	Turn	Finish Facing
