

**Year 2 Weekly Newsletter**  
**Week Ending: Friday 21<sup>st</sup> of January 2022**

Dear Parents and Carers,

Thank you for signing up for Parent Consultations. We look forward to talking to you over the phone and we are sorry that yet again it cannot be in person. The number we will be calling from, might come up as private number.

It is nice to see so many children being active at home too. We have some children who like running, playing with balls, going to the exercise park, riding the bike and many more. Thank you for sending in photos. They will soon be displayed in our classrooms.

<b>Literacy</b> We will be focusing on suffixes.	<b>Numeracy</b> Final week of fractions. We will be solving word problems with fractions and addressing any misconceptions.	<b>Topic</b> In Art we have done some amazing pictures based on the style of Quentin Blake. Take a look at some of them on the website. In ICT we will explore spreadsheets. In PSHE we will be talking about diversity and communities. In RE we will talk about Jesus and his role in the life of Christians. In PE we will do outdoor games and indoor gymnastics.
-----------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**Homework**

Please complete homework in the green homework book and make sure your child hands it in no later than Wednesday each week. Marked books will be returned to them on Friday each week.

<b>Reading</b> Please read with your child regularly and fill in the reading chart.	<b>CLIC Learn-its</b> Our learn-its are: <b>1x5=5</b> <b>2x5=10</b> <b>3x5=15</b> <b>4x5=20</b> <b>5x5=25</b>
----------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------

**Spelling**

Children will have their next spelling test on Friday (28<sup>th</sup> of January)

**challenge, huge, bridge, fridge, jump**

**Numeracy task:**

Please see attached sheet.

We have given out printed copies to all children.

## Spring Term Optional Homework Activities

1. Choose a favourite Roald Dahl book and have a go at drawing your own Quentin Blake style illustration from this story.
2. Look around the area where you live. Can you list any physical or manmade features? E.g. A house is a manmade feature and a tree in your garden is a physical feature. As a challenge, what materials are the manmade features made from?
3. Find a piece of music that reminds you of a storm. What sounds did you hear? What instruments were playing? Were the sounds loud or quiet, fast or slow? Jot down your thoughts.
4. Look out for some birds in your garden or local area. Can you identify them using the following website: <http://www.rspb.org.uk> Make a table of the birds you have found.
5. Do you have a measuring jug or some scales in your kitchen? Can you carefully measure the following amounts?

50ml  
100ml  
150ml  
500ml  
750ml  
100ml or 1L

50g  
100g  
200g  
250g  
500g  
675g  
100g or 1Kg
