

# The Reluctant Dragon

## Week 3 - Reading

Watch the video on the school website of The Reluctant Dragon.

There are two tasks:

- Task 1: make a list of the characters in the story (just like on the video).

At this point your child should be spelling the words phonetically, as shown in the video with the word 'wighf' – this is perfectly acceptable!

- Task 2: draw your own story map and retell the story (just like on the video).

Before your child draws their story map, talk about the key events that happened in the story. Once your child has drawn their story map, ask them to retell the story, following the map!
