

Ely St John's Primary School

Year One Newsletter

23rd September 2022

Dear Parents and Carers,

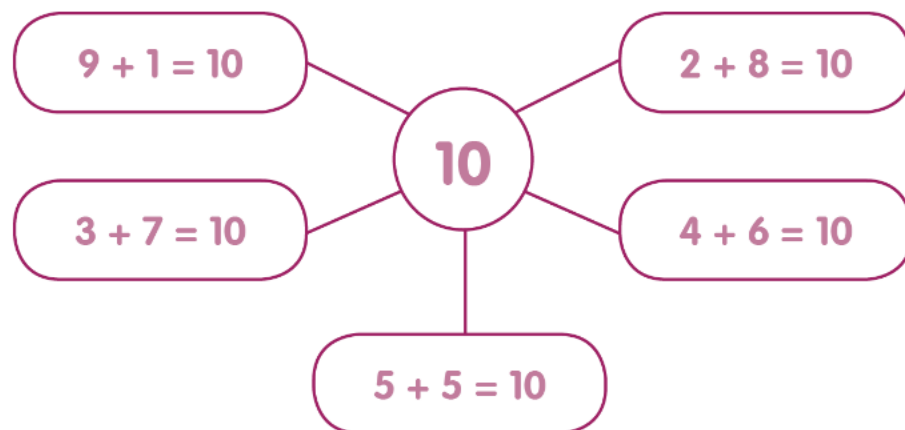

Most parent/carer consultations will be held on Monday and Wednesday. Mrs Carter and Mrs Pruitt's class have some appointments on Monday 3rd October. Appointment times are ten minutes; please help us stick to these by arriving a few minutes before.

Your child should now have their login details for Purple Mash. We have already noticed some children logging in more quickly – thank you for any practise of this at home and we hope this can continue. If you'd like another copy of the login, please ask.

The CLIC Learn Its at the moment are jigsaw numbers to 10.

These are pairs of numbers that total 10; the links in children's brains should be 1..9 and 2..8 and 3..7 and 4..6 and 5..5. We aim for these links to be lightning fast! Please help your child practise these facts outside of school to help reinforce and embed this learning.

There has been a slight tweak to the PE timetable for Mrs Carter's and Mrs Pruitt's class. They will now have indoor PE on Mondays and outdoor PE on Wednesdays; please ensure PE kits reflect this as the weather gets colder – thank you.

In Geography, the children are learning about the school in relation to their local area. The children have thought about who lives with them and where they live, which led us to discuss what an address was. All children knew the colour of their door, some knew their house number, and a few knew the road they lived on. It would be great if you could help them learn their address and perhaps search for it on Google Maps to explore where it is in relation to the school – thank you.

We look forward to speaking with you next week. Have a lovely weekend.

Kind regards,

The Year One team
