

Year 1 Newsletter

W/E 30.4.2021

Dear parents,

We have enjoyed another lovely week studying the topic of Sunshine. We have been digging for worms in the nature garden, spinney and allotment. We have loved painting our own version of "Starry Night."

Please be aware that we are taking the register at 8.45am each morning to ensure full teaching time can be maximised. We are keeping the staggered entry from 8.35am to 8.45am to avoid crowds waiting in the playground. If your child arrives after 8.45am the classroom door will be closed and they will need to enter school at the office/reception to report in late. Please also note that the year 1 e-mail page is no longer in use. Please send any queries to the office staff or catch us in person at the end of the day. Thank you.

Please remember to send your child into school prepared for P.E /Games lessons. They need to come into school wearing trainers and a sports kit: t - shirt / tracksuit bottoms, hoodie/warm top and /or shorts. It would be very helpful if girls could have long hair tied back ready for the lesson. Please could we also ask that any ear rings are removed for the P.E. days.

P.E. days for Year 1

Mrs. Ban's class - Tuesday and Friday

Mrs. Pruitt's/Droniuk's class - Monday and Wednesday

Thanking you for all your support.

Year 1 team.

Next week we will be covering the following topics.....

Literacy Rainforest Animals - designing fact files.	Maths Measure and compare mass. Understanding the concept of heavier and lighter.
Reading Please continue to read regularly with your child and to record the reading in the home / school book. Encourage reading comprehension by asking questions about the text.	Clic Add 3 : $4 + 3 = 7$ $5 + 3 = 8$ $6 + 3 = 9$ Counting in 2's, 5's , 10's
Spelling Please check your child can spell the following words - a do to the
