

Mission 1

Calling all Stay at Home Superheroes! We will be sending you secret missions each week and need you to have a go at completing them. You can send in your photos to mission headquarters (the school office) and we will put them on the website.

Your first mission is to look at the story of Super Soap on the school website. Teach the song to someone at home and practise washing your hands properly.

As an extra challenge you could write a list of all the times in the day when you wash your hands.
