

Foundation News!

25th April 2025

This Week

Lots of work took place in the EYFS courtyard over the Easter break. The children were very excited to discover and explore the new areas and equipment this week! There are photos on Tapestry of the balancing, climbing, and team work that has been taking place. Thank you to the Thomas Parsons Charity, Outdoor Classrooms, Lucy Conochie Designs, and Barcham Trees for all of their support with the redevelopment work.

In the classroom, the children have been sharing holiday news in pictures and words. We can see that many of you have been practicing letter formation at home over the break, thank you for your support with this. We have also been finding out about 2d and 3d shapes, sorting them by their similarities and differences.
