

# Fantastic Phonics

## Week 14

This week in phonics, we are going to play lots of games to revise everything that we have learnt since starting school. We are going to be playing games that focus on a variety of skills.

Please ensure that your child is able to recognise and say all of the letters and sounds that we have learnt over the past year. It would also be very helpful if they are able to read and spell all of the tricky words that have been sent home.

This will really help your child in preparation for Year 1.
