

# 7th School Council Meeting

## 9th June 2017

1. Change of plan: The new inside chill out zone will now be set up as a reading club in the new library. Our bean bags have already arrived, and today we prepped our reading buddies. They will soon be ready to use in the library and the courtyard. Have a look when you pass through the library next time!

2. We prepared our poster and activity for the Summer Fayre on Saturday 10th June. Please visit our 'Pot of Luck' stall to support our fundraising efforts.

3. We prepared a flyer to announce our fundraising event '*Buy an extra playtime*' which will take place this half term.

4. We wrote a letter to ESJ's neighbours apologising in advance for any noise from our 25 Year Celebration party on Friday 14th July.
