

Year 4

Curriculum Tasks

(6th July – 17th July)

Please **select two tasks** from the options below to complete during the course of your Home Learning this week. The tasks may take more than one day to complete.

History <u>An Event in Time:</u> Select a famous event from the past and research as much as you can about what happened and why it was significant.  You can present what you have learned as a PowerPoint presentation if you have a computer, or as an information poster or leaflet if you prefer.	Science <u>Honeybees:</u> The Importance of Plants and Bees Watch the BBC Bitesize clip – ‘Why are bees attracted to flowers?’ https://www.bbc.co.uk/bitesize/topics/zy66fg8/articles/zx4ktv4h Have a go at the quiz at the end of the page. Use what you have learned to make a display poster to show why bees are attracted to flowers and why this is important.
Art <u>My Lockdown Summer</u>  Let your imagination go and create your own piece of art work with the title/inspiration of ‘My Lockdown Summer’ . You might paint, sketch, print, sculpt or something completely different. You decide! Send us any pictures for the Year Four Blog!	P.E. Have a go at some of the activities from the ‘Outdoor Adventurous Activities’ sheet provided by Cambridge and Peterborough Virtual School Games. (See challenge sheets and resources attached on website) 

PSHE

My Year Four

Think back over your time in Year 4 – both in school and at home.

What has been your favourite memory?

Use the thought bubble sheet to write and draw your favourite memory.

ICT

Improve your Coding Skills

<https://hourofcode.com/uk/learn>

Improve your coding skills through these fun games. Try some out that you haven't explored yet.

Music and D.T.

Design and make your own homemade musical instrument. Use the attached resource sheet to support your construction. You can make your instrument as complex or as simple as you like.

Remember to decorate it too!
