Maths : Wednesday 29th April

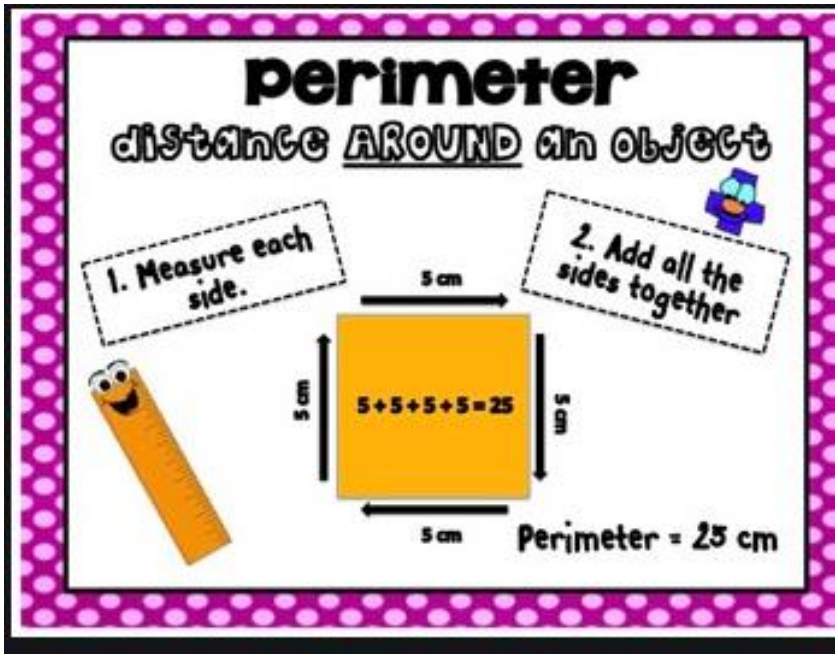
Grown ups- please note this is a brand maths concept for the children!

Perimeter

L.O. I can find the perimeter of 2D shapes.

Perimeter is the distance all the way around a 2D shape.

To calculate perimeter, you need to measure each side of the shape and find the total.



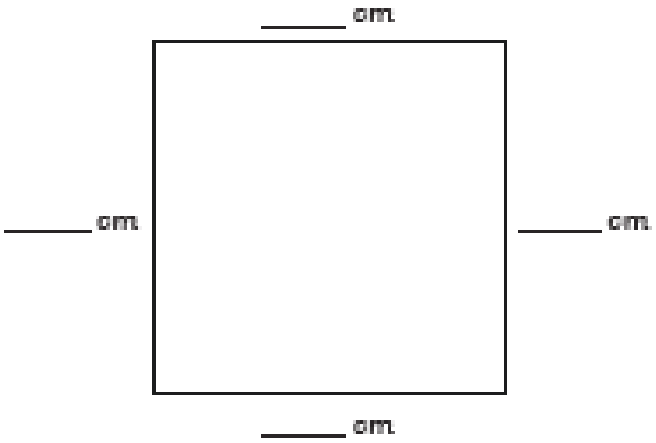
Find the perimeter of the shapes on the sheets!

Measuring Perimeter

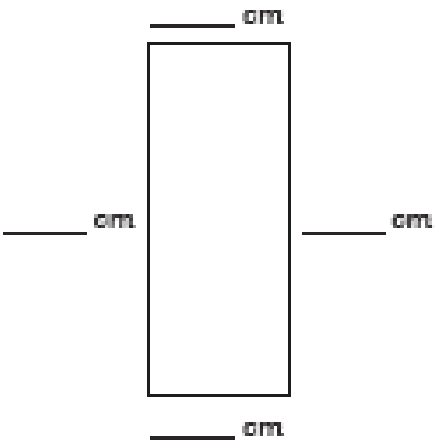
I can calculate the perimeter of a shape in centimetres.

1) Measure and label the sides and calculate the perimeter of these shapes:

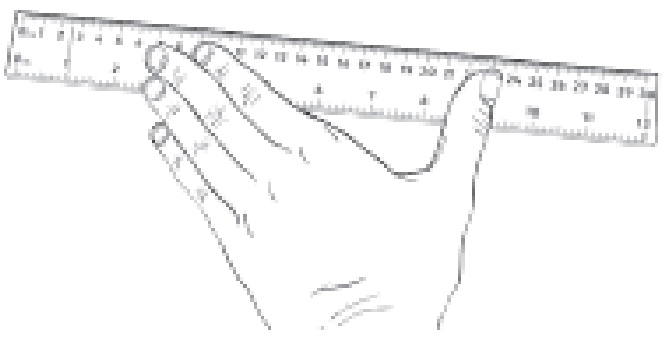
a) perimeter _____ cm

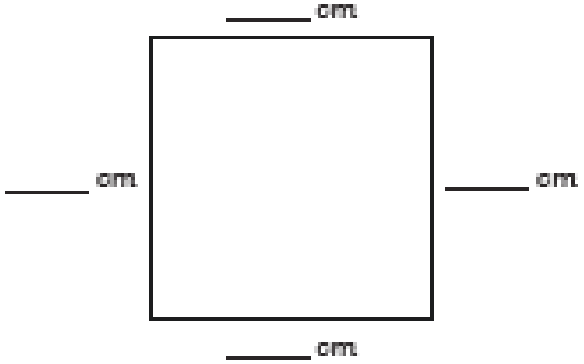


b) perimeter _____ cm



c) perimeter _____ cm





d) perimeter _____ cm
