

Find 10% is the same as finding $\frac{1}{10}$. To find $\frac{1}{10}$ divide by 10

Remember how to divide by 10? Move all the digits one place to the right.

Hundreds	Tens	Ones	tenths	hundredths
3	4	7	.5	0
	3	4	.7	5

Find 10% of	
70	10% of 70 is 7
