

Meet the Team!

Mrs Sutcliffe

Mrs Sutcliffe will teach in the Foundation Stage classes every week when class teachers are doing their out of class jobs. Her favourite colour is turquoise and her favourite story is The Gruffalo. When she is not at school she is usually found transporting her children to either football games or drama/music rehearsals. She enjoys spending time with her family and going on days out with them. She has 2 guinea pigs called Mr Cheeky and Gem.
