

# Ely St. John's Primary School

## Weekly Learning – Year 3

**WB 4<sup>th</sup> May**  
**Topic- Geography**

Last time you looked at the different countries in South America.

This week you are going to find out about life in the Rainforest in Ecuador (one of the countries you looked at on your map last time).

- 1) Read 'Romel's Rainforest home'. (You might need a grown up to read parts of it with you as there are a couple of tricky words.)
- 2) Think about Romel's life in San Salvador and compare it with your life in Ely. What is similar? What is different? Think about school, animals, homes, what the places look like etc.
- 3) Draw a table to compare Romel's life with your own. You can write and/or draw pictures.

Romel's life in San Salvador	My life in Ely
