Year 2 Performance 2020

Dear Parents and Carers,

Unfortunately, due to COVID-19, we are unable to invite you in to school to watch your child's Christmas performance. However, "*the show must go on*", so we are planning to film the performance and make it available for you to watch on the ESJ YouTube page with a link via the school website. Children's names will not be used in any part of the video.

As the performance will be shared online, we require permission for your child to appear in the video. Please complete the permission slip below and return it to school by **Friday 11th December 2020**. Slips can be given directly to the Class Teacher (in order to limit the number of people needing to visit the school office at this time). If you have any questions or for more information, please contact us via the school office as soon as possible.

Thank you for your support.
