

1st School Council Meeting

20th October 2016

1. **Introduction:** We all introduced ourselves and tried to learn new names quickly.
2. **Class council book:** We now have a school council folder and class council book as a way to communicate between class and school council.
3. **Mr Aston's lunchtime survey:** We were given a survey to carry out during class council to find out everybody's opinions and ideas about equipment and behaviour at lunchtime.
4. **Christmas Fayre:** We are going to be running a sweet stall with the Friends at this year's Christmas Fayre.
5. **School Display feedback:** We will be giving feedback on school displays after the half term holiday. We will be supported by Mrs Godfrey.
6. **Charity days throughout year:** We looked at the months of the school year and possible charity days/events we would like to see our school involved in. We had many ideas about activities to help raise money for charity. We will talk about our suggestions with Miss Bassett and Mr Aston.
7. **Photos:** Mrs Jähnigen took our photos for the display board. Now you know who we are and can put a face to our names.
