

Monday

Learn the pattern – cian

Write a root and add the –cian ending in a colour.

music	physic	magic	optic	mathematic
musician	physician	magician	optician	mathematician

Notice the root of the word ends in c and the ending –cian begins with c

Choose 3 words and write them in a sentence. e.g. I went to the optician's new shop for new glasses.

Tuesday

Learn the pattern – sion

Write a root and add the –sion ending in a colour.

include	decide	Divide	invade	explode
inclusion	decision	division	invasion	explosion

Notice the root of the word ends in --de and the ending –sion begins with s

Wednesday

Unscramble these words and match them up to the correct spelling

Inclusion	Nisionva
Decision	innlucasio
Invasion	nidisivo
Division	noisiced

How many words can you make from decision den, side, dice, ice.....

Thursday

Make a poster to show –cian endings and -sion ending. Find more words to add to your list.

Friday

Find the words in the word search
