

Extra Resources and Weblinks

<https://www.bbc.co.uk/cbeebies/shows/alphablocks>

Short videos and activities that link to our phonics teaching.

<https://www.bbc.co.uk/cbeebies/shows/numberblocks>

Short videos and activities that link to our number teaching. It would be great if you could look at the videos focused on the numbers 11 to 20.

<https://www.home.oxfordowl.co.uk/books/free-ebooks/>

Free ebook library that link to phonics teaching in school. Look at the colour band of your child's reading book as a starting point for exploring the texts.

<https://www.oxfordowl.co.uk/for-home/oxford-owl-videos/videos-fun-maths-games/>

Activities for practicing number and problem solving skills. There are short videos that explain the activities and learning for adults.

<https://www.phonicsplay.co.uk/InteractiveResources.htm>

Online phonics games that the children are familiar with from phonics sessions. They are currently offering full access to their site for free. Most children are currently working within Phase 3 so we would advise starting with this option.

<https://www.teachyourmonstertoread.com/>

All of the children have a log-in for this site which encourages learning and application of phonics skills as part of a game.

<https://www.purplemash.com/sch/elyst-cb6>

This link takes you to the school PurpleMash page. See the previously sent information about this.
