(b) Use the **Weather chart for March** to complete this graph.

2

This table shows how the children in a class come to school.

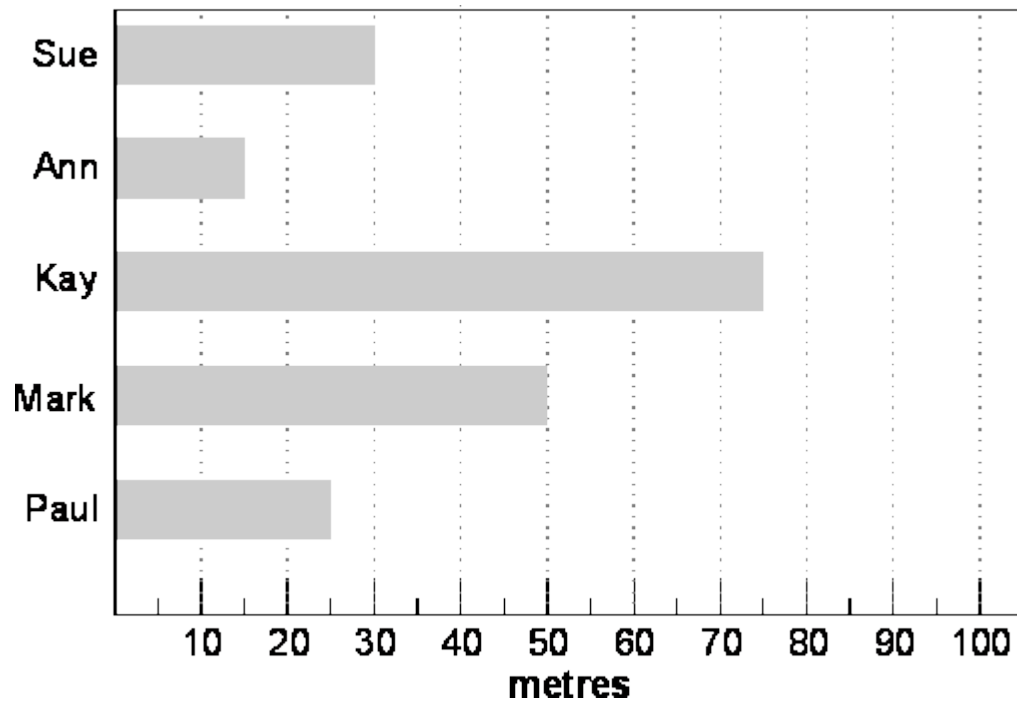

Ways of coming to school	Number of children
walk 	14
taxi 	1
bus 	6
car 	8

More children walk than come by bus.

How many more?

3

Some children made a bar chart showing how far they could swim.

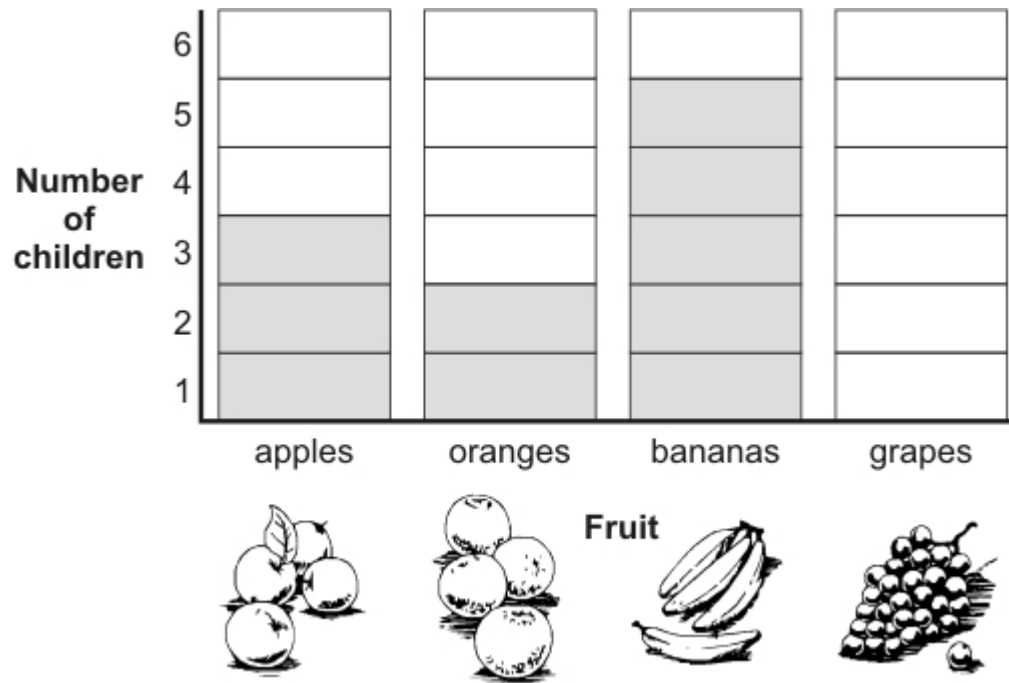

How far can Kay swim?

metres

4

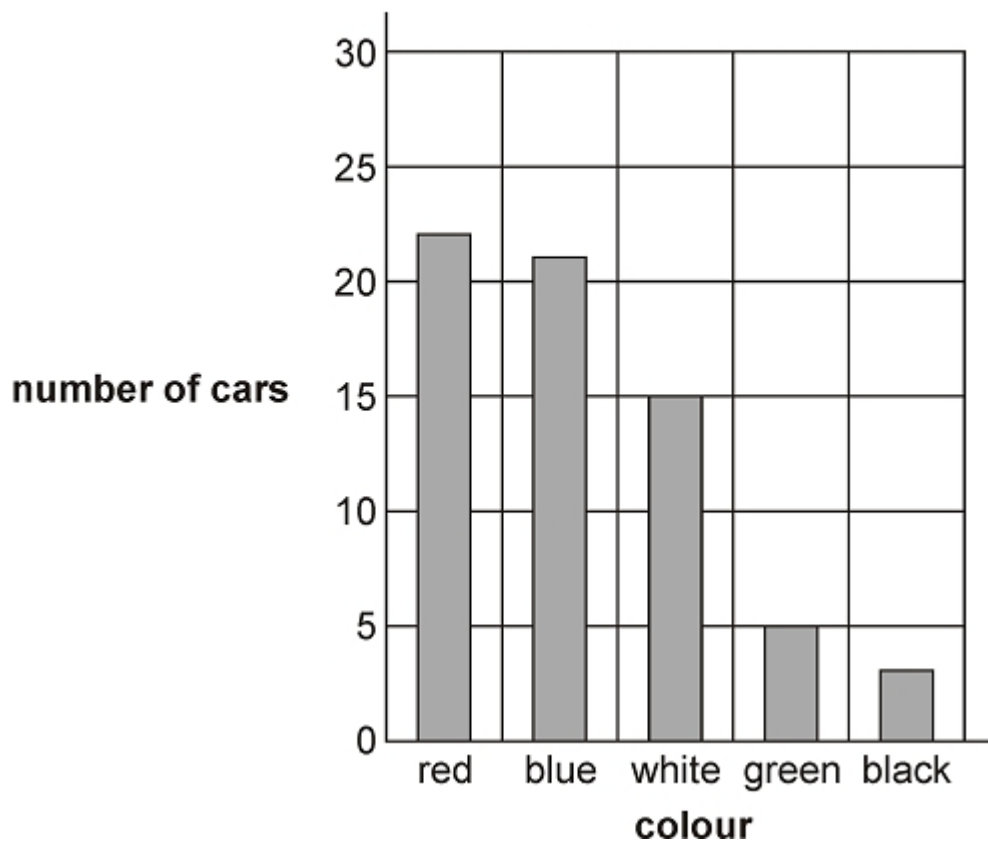

Some children made a graph of fruit they like best.

4 children like grapes best.

Show this on the graph.

Our survey
Colours of cars

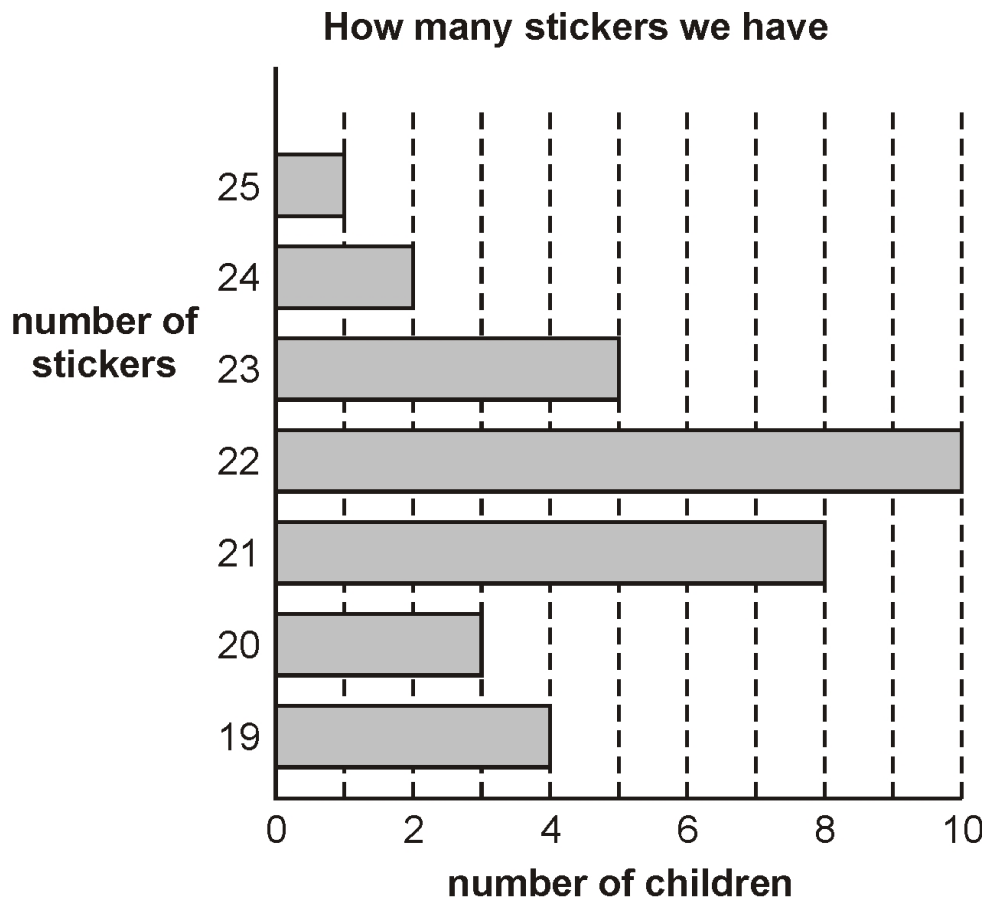

(a) How many blue cars are there?

(b) How many more white cars than green cars are there?

6

Class Y2 made this graph.

(a) How many children have **23** stickers?

children

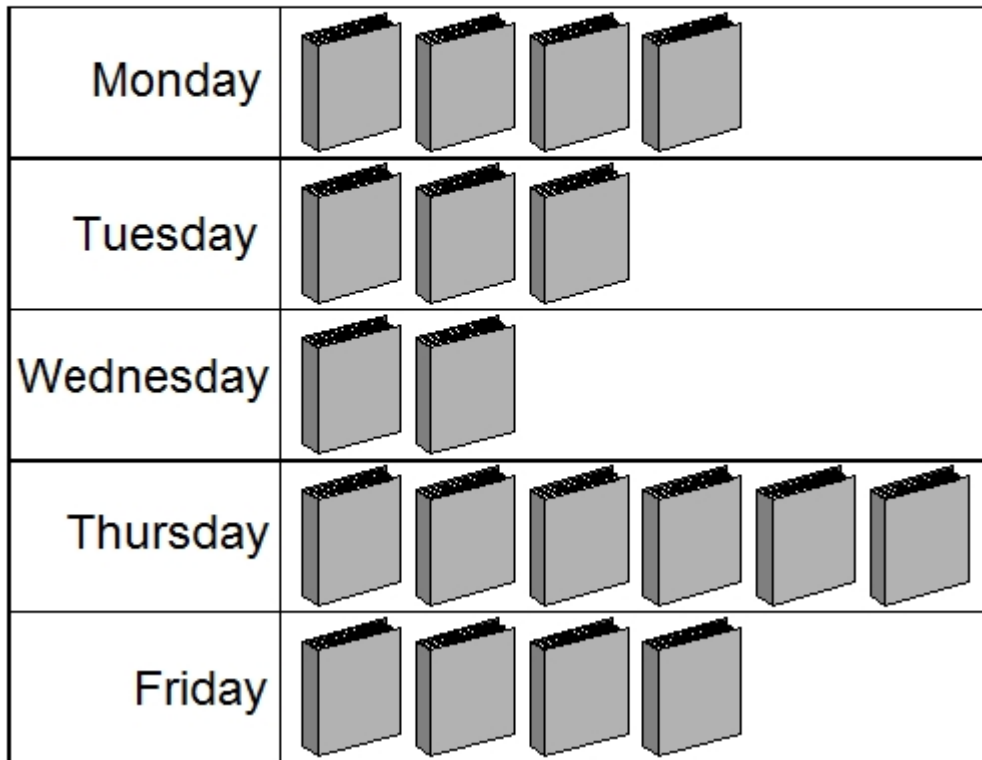

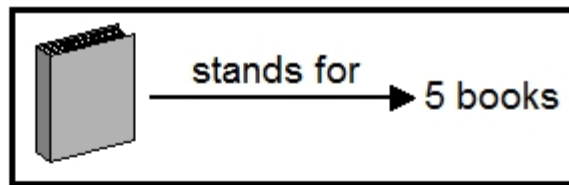

(b) How many children have **fewer** than **21** stickers?

children

7

Look at this pictogram.

Number of books borrowed from the library

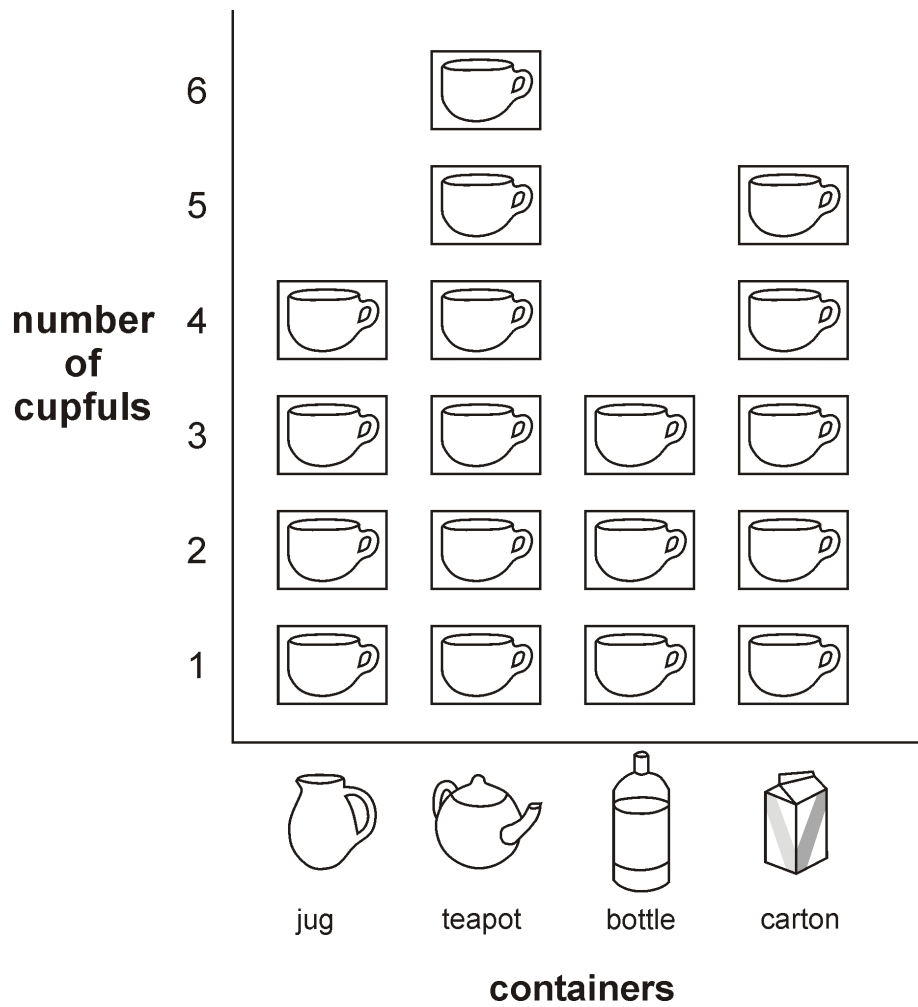

How many more books were borrowed on Tuesday than on Wednesday?

books

8

Some children made a graph.

Which container holds most water?

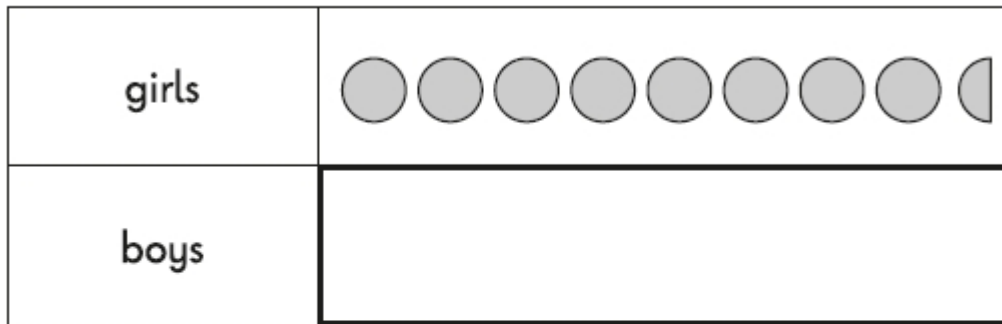

How many cups can the jug fill?

 cups

9

Look at this pictogram.

Number of children in Class 5

Key	
	2 children
	1 child

How many girls are there in the class?

--

girls

10

This table shows the ages of some children.

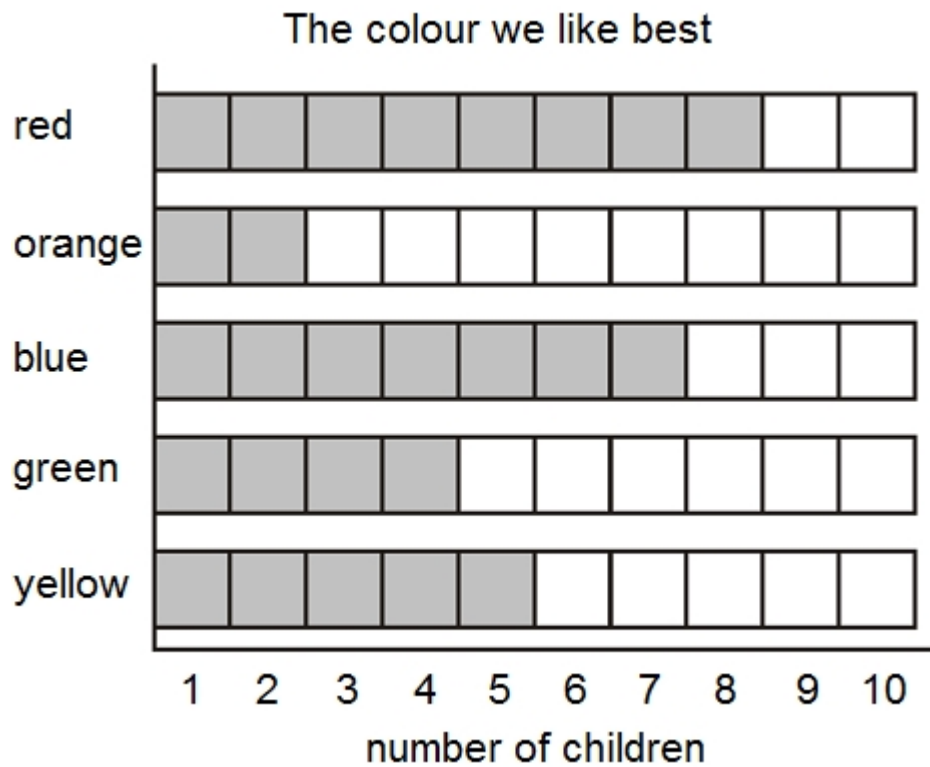

Name	Age	
Fred	7 years	4 months
Harriet	7 years	0 months
Isla	6 years	10 months
Julian	7 years	6 months
Kate	6 years	11 months
Asim	6 years	11 months

How many children are older than Harriet?

children

11

Some children made this graph.

Look at the graph.

Which colour do **5** children like best?

12

Gemma asked children which fruit they like best.

The fruit we like best		
fruit		number of children
	apples	7
	grapes	4
	bananas	6
	pears	3

How many children did Gemma ask altogether?

children

Weather chart

	morning	afternoon
Monday		
Tuesday		
Wednesday		
Thursday		
Friday		

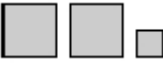

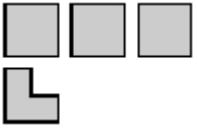

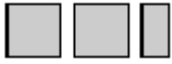

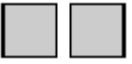

How many **mornings** were sunny  ?

mornings

14

Some children made a pictogram.

Seasons our birthdays are in:

			
spring	summer	autumn	winter
			

 stands for → 4 children

- (a) There is an **even** number of birthdays in **2** seasons.

Which seasons are they?

and

- (b) How many children have a birthday in the **summer**?

 children

Class 2 made a graph.

(a) How many children are **5** years old?

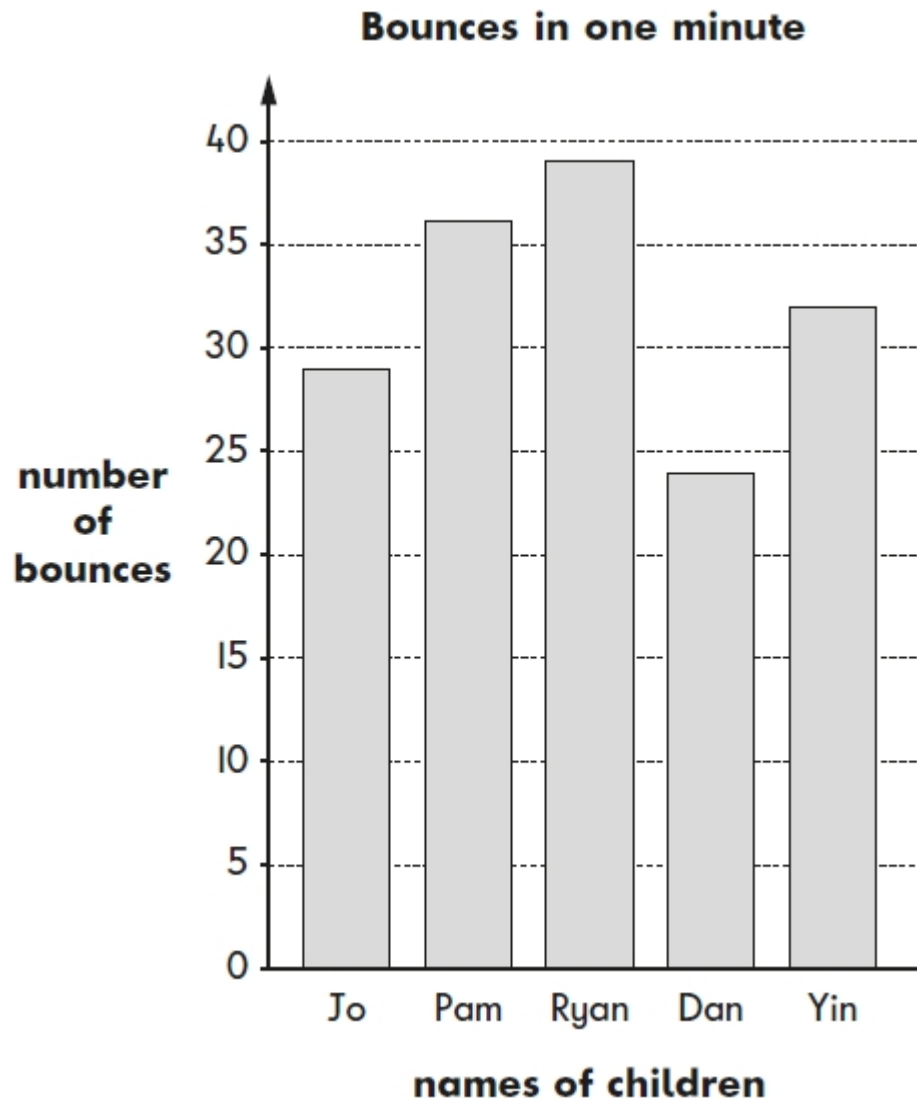

children

(b) What is the **total** number of children in the class?

children

16

Look at this graph.

(a) Who bounced the ball **between 25 and 35 times**?

and

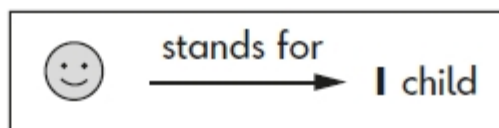

(b) How many times did Pam bounce the ball?

times

17

Some children made a chart.

The fruit we like best

 apple	 
 orange	  
 banana	      
 pear	    

How many **more** children chose pears than apples?

children

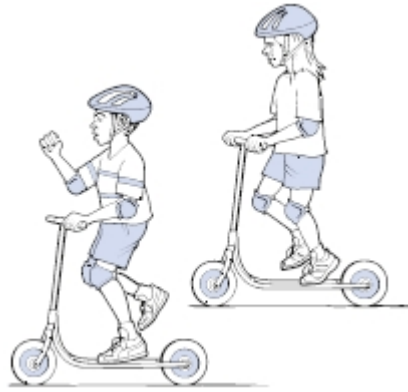

18

Look at the chart.

How many stickers does Ling have?

stickers

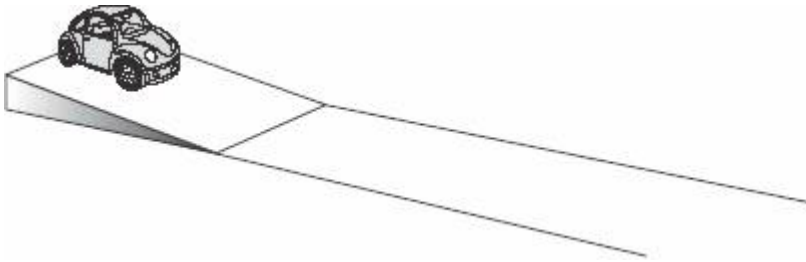

A shop sells scooters.

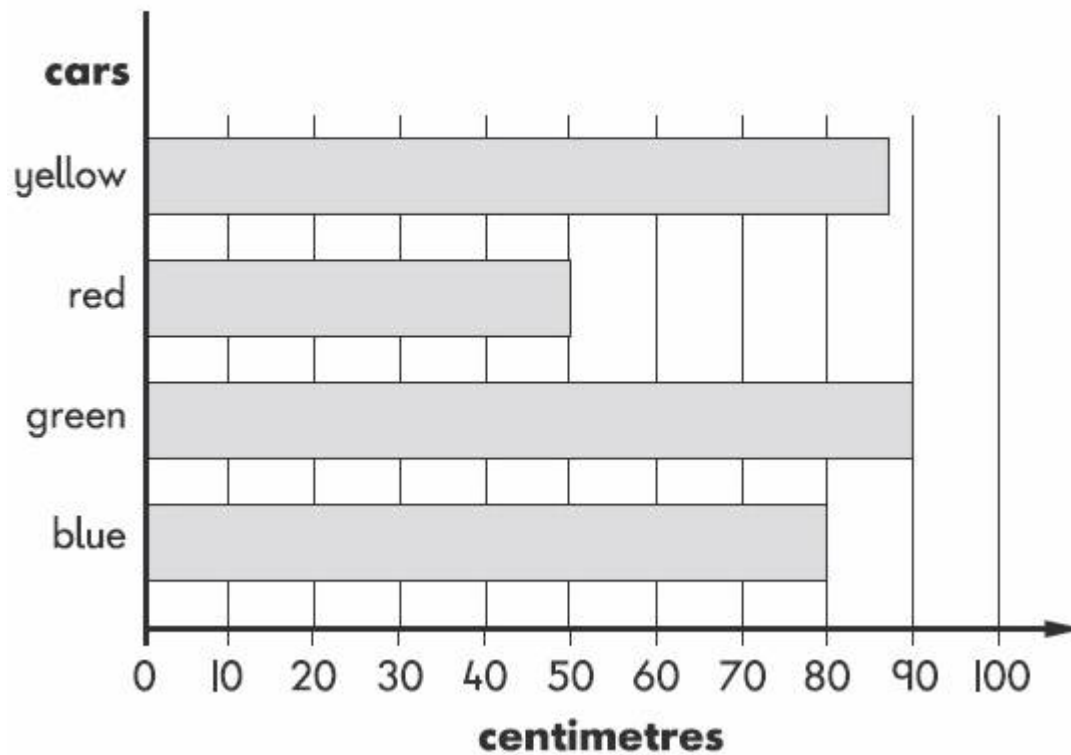

Number of scooters sold	
December	57
January	30
February	23
March	45
April	52
May	39

In which month did the shop sell **most** scooters?

Some children rolled toy cars down a slope.

How far the cars rolled

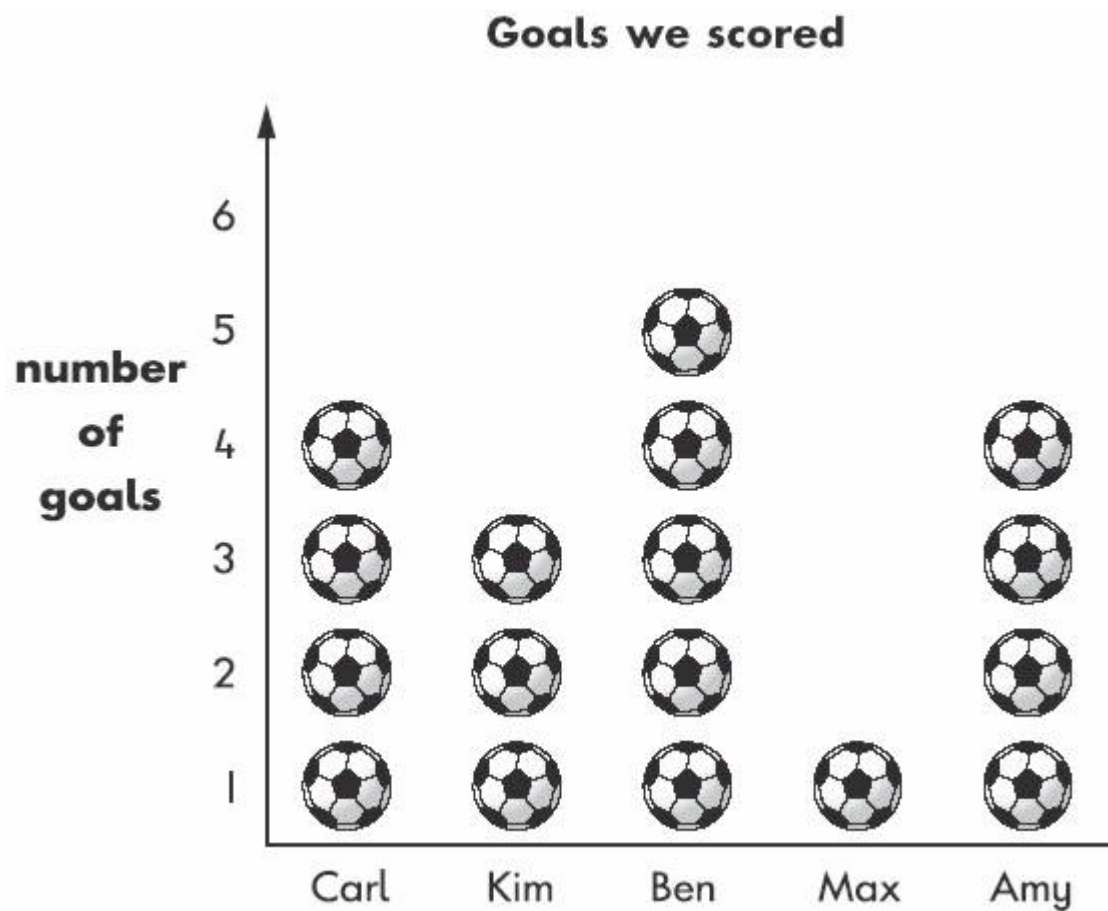

(a) How far did the **blue** car roll?

cm

(b) How much further did the **green** car roll than the **red** car?

cm

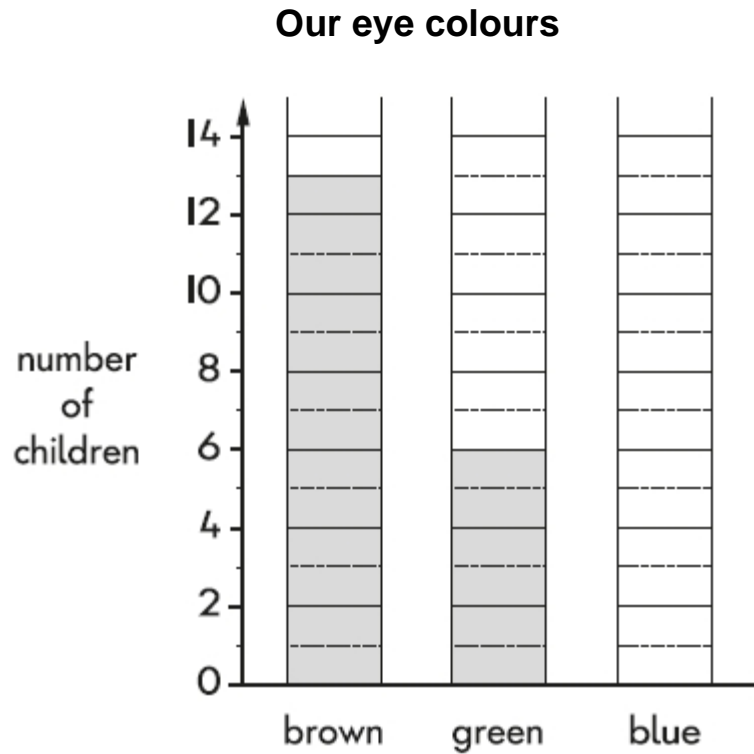

Look at the chart.

Which children scored the **same** number of goals?

and

Class 2 make a graph.

(a) **5** children have **blue** eyes.

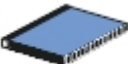

Show this on the graph.

(b) **More** children have **brown** eyes than **green** eyes.

How many more?

children

Some children counted the number of books and CDs at home.

	Books 	CDs 
Jim	72	52
Ryan	21	49
Lucy	62	32
Dan	48	48
Sara	28	56

- (a) Two children have fewer CDs than books.

Which children?

and

- (b) Who has twice as many CDs as books?

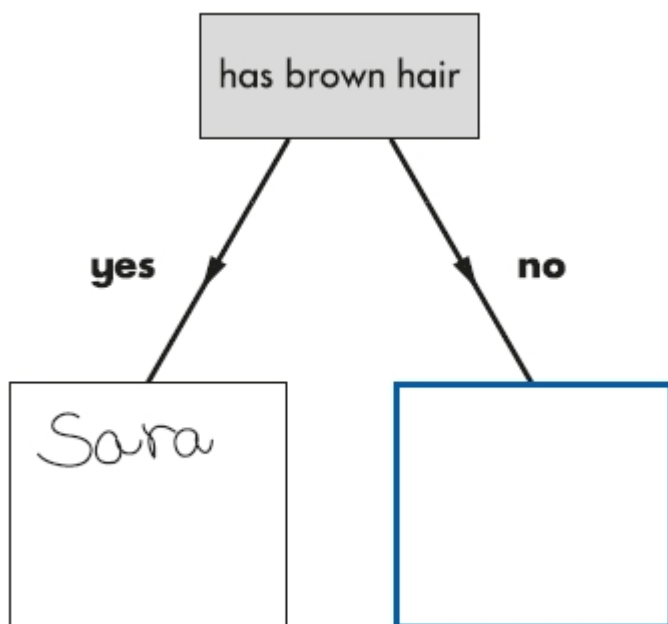

24

Anna made this table.

name	has brown hair
Sara	yes
Lee	no
Anna	no
Carl	yes

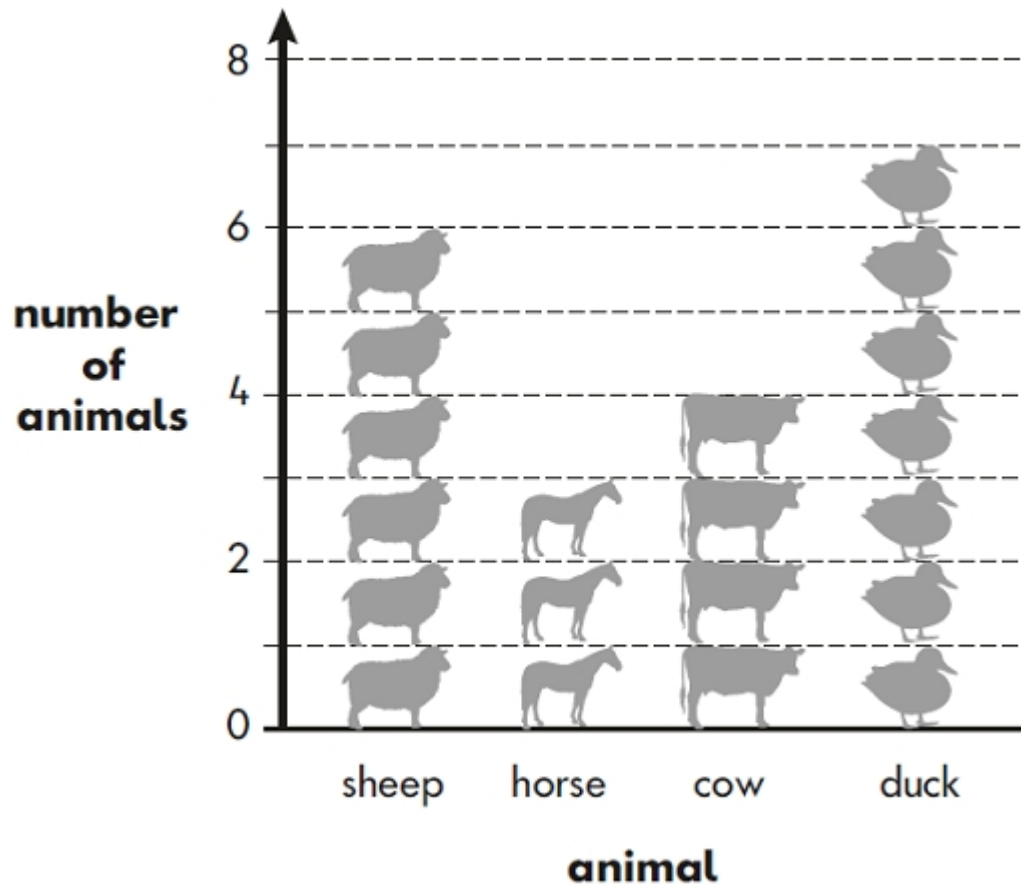

Write each child's name in the correct box to sort them.

One name is done for you.

25

This diagram shows the number of animals at a farm.

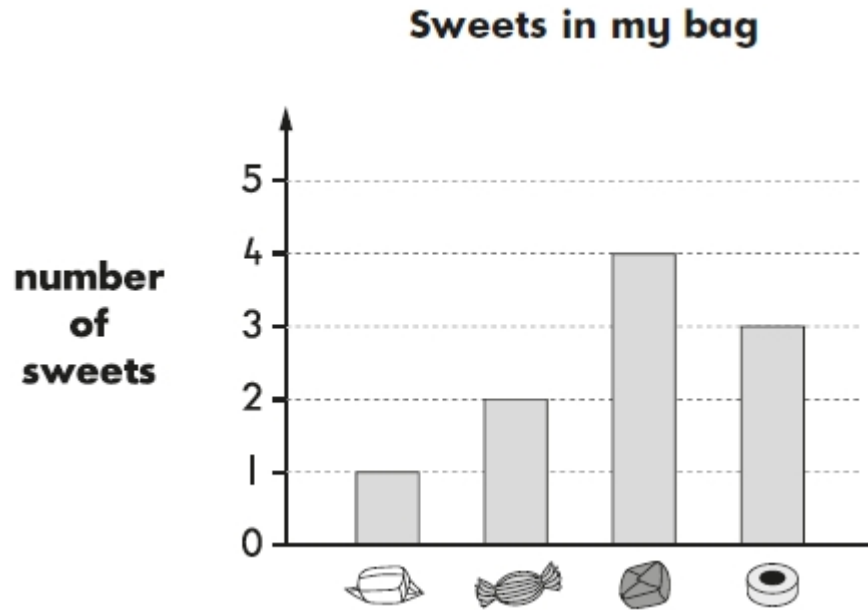

(a) How many sheep and cows are there altogether?

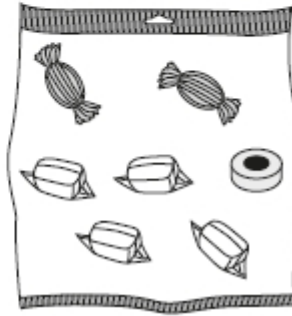

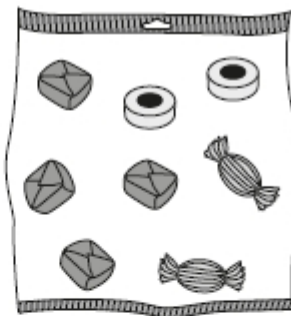

(animals)

(b) There are more ducks than horses. How many more?

Ben made a graph.

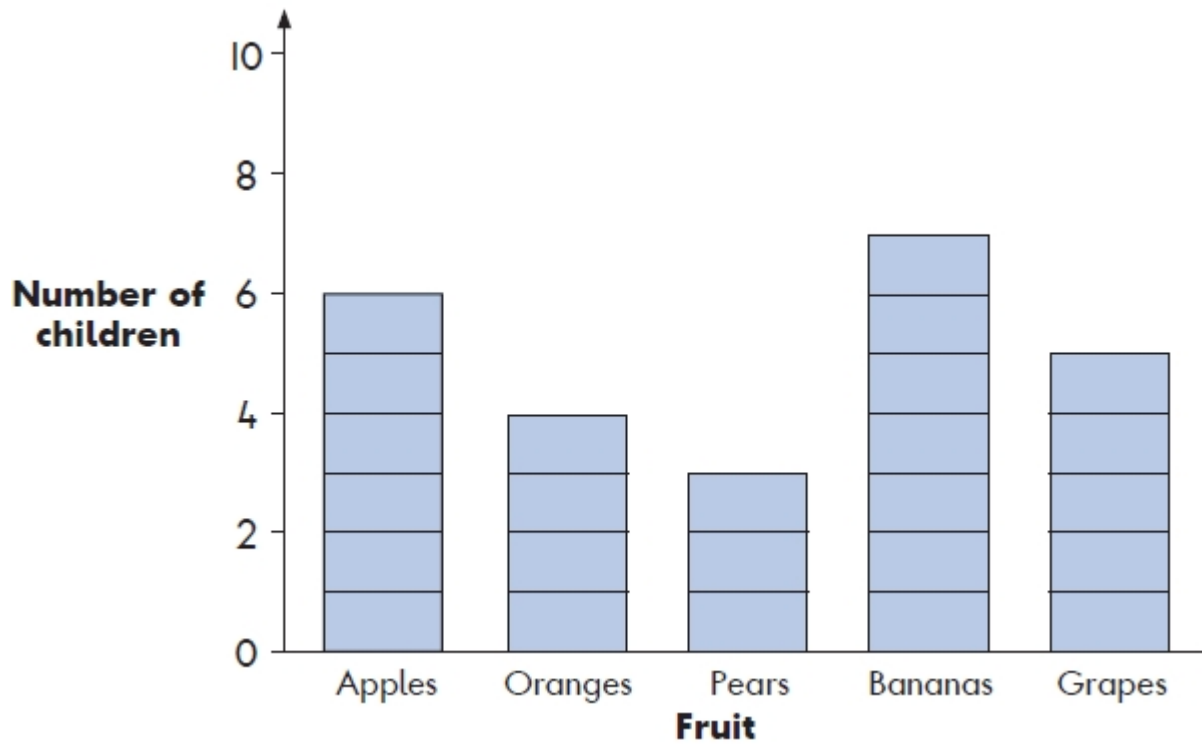

Tick (✓) the bag that shows Ben's sweets.

27

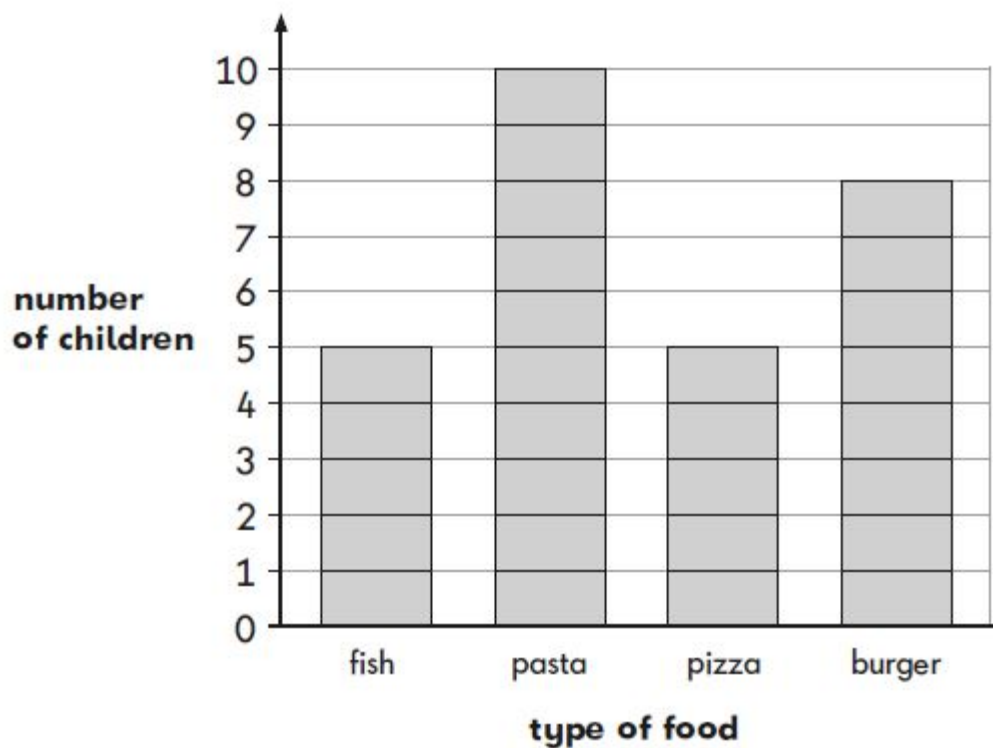

The graph shows which fruit children like best.

How many children like bananas best?

How many **more** children choose grapes than pears?

28 This chart shows what class 2 ate for lunch today.

Fewer children ate pizza than burger.

How many fewer?

children

- 29** Some children make a chart of how many books they read in a week.

Key:

stands for **1** book

Ben	   
Kemi	     
Ajay	       
Sita	  

Which children read **fewer than 5** books?

Circle them.

Ben

Kemi

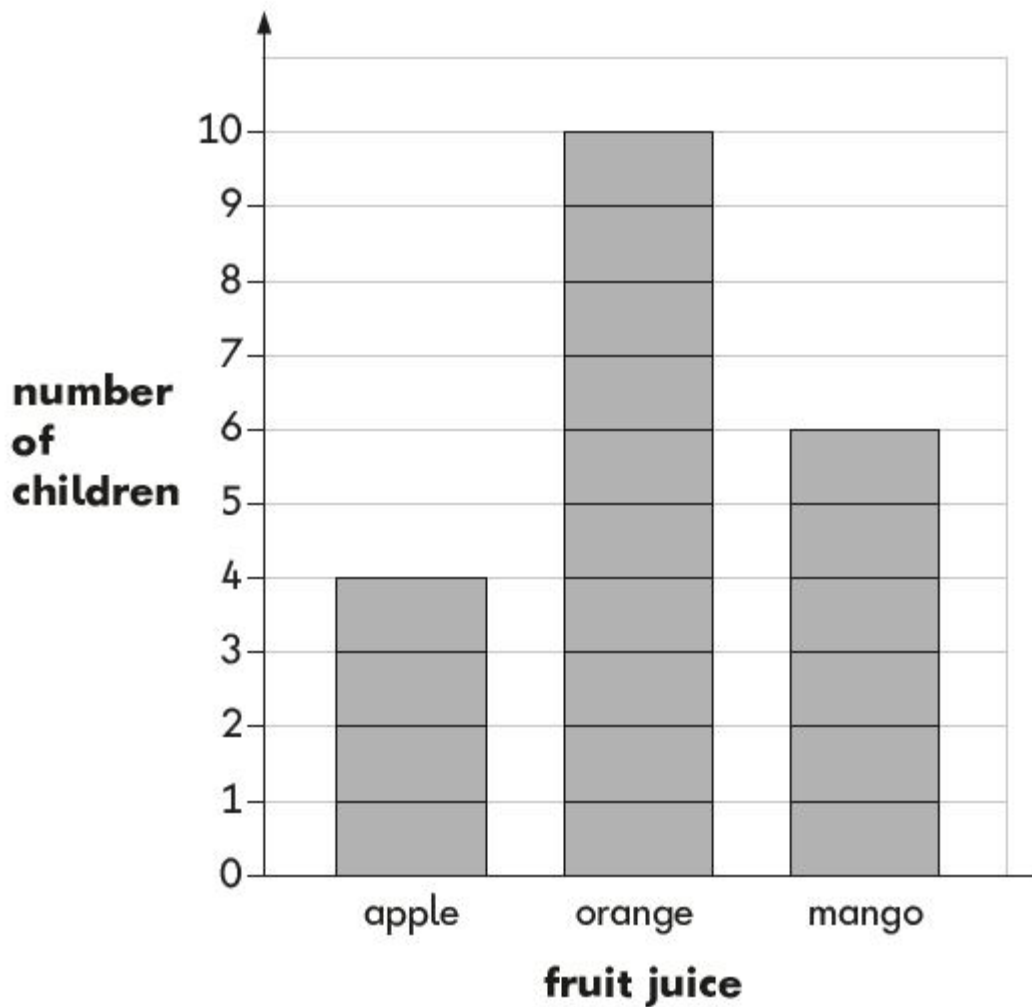

Ajay

Sita

30

20 children choose their favourite fruit juice.

The chart shows the results.

(a) How many **more** children choose orange than apple?

children

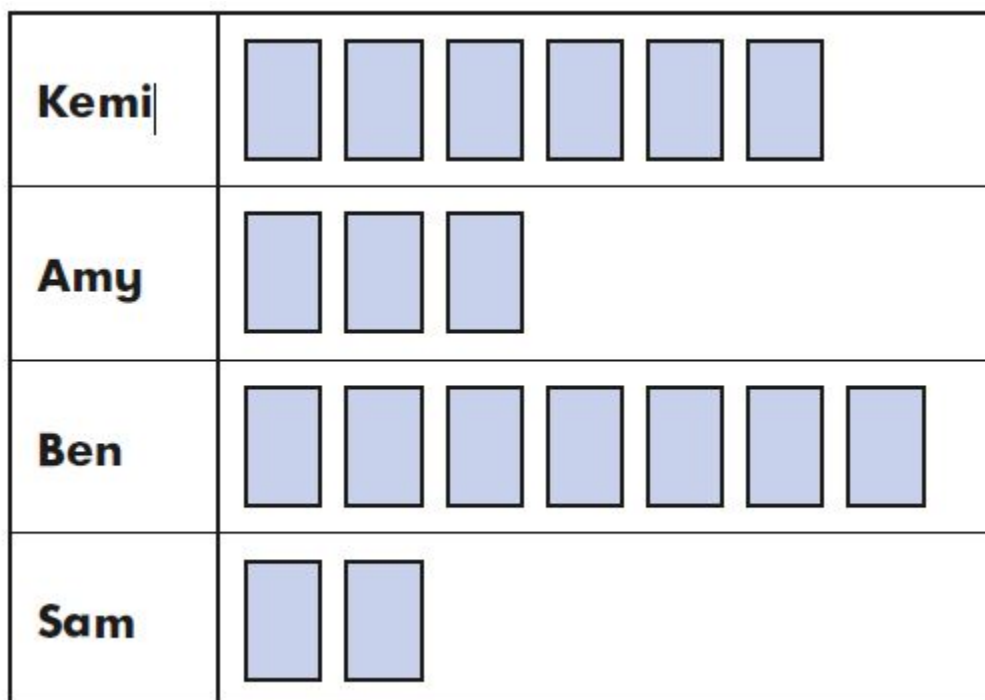

(b) Another boy joins the group.

He chooses **mango** juice.

Add this information to the chart.

31

The chart shows the number of stickers four children have.

Kemi has more stickers than Sam.

How many **more**?
