## Enrolments

- If you wish to enrol in clubs for the Autumn term, please complete an enrolment form (1 per child) and provide the relevant payments as indicated on the form. Additional forms can be obtained from the school foyer. All enrolment forms will be dealt with on a first come first served basis.
- Please write your child's name(s) on the back of any cheques, together with the name of the club which they are attending. **Please use one cheque for each club - NO CASH - If this causes a problem please speak to Julie Symonds to make arrangements.**
- Free club places are available to all children who have applied for Pupil Premium funding.

**You will always be told if a club is full and your child does not have a place as soon as your form has been processed, an offer of an alternative will be made if available.**

### **COVID SECURE PRECAUTIONS**

- To avoid the use of classrooms, all clubs will assemble either in the Hall or Gallery for registration. Your child will only be required to change their footwear if necessary and they can wear jogging bottoms to school if they are taking part in an active after school club. This reduces the need for large bags in the cloakrooms.
- Any outdoor activities will still take place in all weathers so please ensure your child has appropriate clothing. If the weather is extreme then the club will be cancelled on the day and an extra session will take place at the end of the term (hence why they are only running for 5 weeks). For this reason please ensure that your contact details are correct and if you have registered with the School Comms Mobile App then this will always be used (ensure that notifications for the app are turned on otherwise you will be unable to see if a message has been sent).
- All Tutors will be trained in Covid Prevention Procedures and have carried out a risk assessment for their activity.
- If your child, or anyone else in your household are feeling unwell with symptoms of Covid-19, please do not send them to an After School Club.
- Only one parent or carer to collect their child and they will need to wear a mask whilst on the school premises. Please do not enter the school building, always wait for your child at the designated collection point for that club.
- Funk It Up Dance participants will be given an area of the hall to dance in to ensure that social distancing rules can be followed. If the club has to be cancelled due to school closure then the club will continue online.
- In French Club the children will be working in small groups within their wider bubbles of Year 1, Years 2&3, Years 4&5 and Year 6.
- Active Play Education will not bank any cheques for the first two weeks of clubs to ensure that the clubs are going ahead and to minimise the chance of having to issue refunds etc.

Many thanks,  
**Julie Symonds,**  
**After School Club Co-Ordinator**
