ELY ST JOHN'S PRIMARY  
SEPTEMBER 2021**

<b>What are the hazards?</b>	<b>Who might be harmed and how?</b>	<b>What are you doing already/what are you planning to do ?</b>	<b>What further action is necessary?</b>	<b>Action by whom?</b>	<b>Action by when?</b>	<b>Done</b>
Workforce contracting Covid-19	Staff contracting covid-19	<ul style="list-style-type: none"> <li>Staff are encouraged to take up the vaccine and enabled to attend vaccine appointments where practical. Further details here <a href="https://www.thevaccinators.co.uk/">https://www.thevaccinators.co.uk/</a></li> <li>Staff are encouraged to notify the setting when they have completed their vaccine course (to enable long term planning) – <i>please note staff do not have to share medical information with their employer if they do not wish to</i></li> <li>Staff will be encouraged to take Lateral Flow Tests twice a week and to share results with the setting and report them to the national system online</li> <li>Staff/children that meet the criteria of clinically vulnerable or clinically extremely vulnerable, have a risk assessment completed to identify any suitable control measures that must be in place to keep them safe in the setting. This should be completed with reference to the HSE guidance <a href="#">Protect Vulnerable Workers during the Coronavirus (Covid-19) Pandemic</a></li> <li>Risks to new and expectant mothers in the workplace should be considered and added to this risk assessment. These should be reviewed if a member of staff notifies the provider that they are expecting. Pregnant women are considered 'clinically vulnerable' or in some cases 'clinically extremely vulnerable' to coronavirus (COVID-19) and therefore require special consideration as set out in the <a href="#">guidance for pregnant employees</a></li> </ul>	/	Head/ admin	1.9.21
