

Foundation News!

28th March 2025

This Week

This week the children have been sharing their knowledge of the seasons, talking about the signs of Spring that they have seen in the world around them. Many of the children have talked about visiting farms and seeing lambs, chicks, and other baby animals. If you have any photographs of these visits, please put them on Tapestry for the children to share at news time.

We have also spent some time finding out about festivals that celebrate the arrival of Spring, noticing similarities and differences to other festivals that we have learnt about.

In maths, the children have been learning that halving is sharing a whole into two equal parts. They have explored this with practical resources and practiced quick recall of our halving Learn-its (half of 2, 4, 6, 8 and 10). The highlight was making toast and finding out the shapes we could make when cutting it in half!

Poetry Basket: *Let's Put On Our Mittens*

Messages

Please check names in jumpers and cardigans—a few children are missing one and they may have been picked up accidentally by another child. Thank you.

Look out for information from the Friends' committee about their Easter fundraiser. If you are able to support this in any way, we would be very grateful.

Diary Dates:

Tuesday 1st April: EYFS Craft Afternoon. Join us in school from 1.30 for springtime craft activities.

Friday 4th April: Friends' Doughnut Day sale at 3pm (or pre-order online). Last day of Spring term.

Wednesday 23rd April: Summer term begins.

There are no birthdays this week.
