

Daily tasks- reading, phonics and CLIC

Reading practise:

- Read for 10 minutes each day.
- Ask your child questions about the text.
- Can your child identify any questions in the text? Look for the question marks.

CLIC:

- Practise halving numbers to 20. Use equipment to halve the numbers if needed.
- Learn off by heart $0+10=10$, $1+9=10$, $2+8=10$, $3+7=10$, $4+6=10$, $5+5=10$
- Write out the fact families for your Learn – its.
- E.g. $4+6=10$ $6+4=10$ $10-6=4$ $10-4=6$ $10=4+6$ $10=6+4$ $6=10-4$ $4=10-6$.
Demonstrate with equipment where necessary e.g. use lego bricks to build the calculations so the children see the solution.

Phonics:

Each day write the following words onto small cards. Introduce the sound and words to your child. Place them face down on a surface /table with a counter underneath each card. Can your child win the counter by sounding out and blending the word together?
