

# Word Wheels

The aim of a word wheel is to make as many words as you can of two letters or more from the letters in the wheel, using each letter in each word only once, and always using the letter in the centre of the wheel. No proper nouns allowed! Each wheel will also contain one word which uses up all the letters.

Each day choose at least one word from the [Statutory Year 5 and 6 spelling list](#) and create your own word wheel e.g. average

	g	r
a	<b>e</b>	
v	e	a

How many words can you make? E.g. age, agree...

Try putting different letters in the middle. Does it make a difference?

**The ultimate challenge:** which word in the statutory year 5 and 6 list creates the most words!
