

# 7th School Council Meeting

## 27th June 2019

### 1. Paper recycling audit no. 2

We joined Mr Hambley again to empty the paper bins and check whether only paper went into them. We tallied up any items that did not belong in there and put all the data into a chart to share in an upcoming assembly. Which classes will be recycling champions this time? And, more importantly, have we improved our paper recycling compared to last time?

### 2. Paper Awareness Day

We decided to hold ESJ's first ever Paper Awareness Day in July—a day to make children and adults in school more aware of unnecessary paper use and waste. We will encourage adults to go paper-free and children to use paper sensibly, for example using scrap paper, using both sides of a sheet etc.

#### ACTION POINTS FOR CLASS COUNCIL:

- Evie, Nancy and Annabelle to do roleplay about paper waste in assembly
- Evie, Nancy and Annabelle to publish Paper Awareness Day poster
- new recycling caddies to be delivered to each classroom

#### LAST SCHOOL COUNCIL MEETING:

in July
