

## Year Two Weekly Newsletter

Week Ending : Friday 28th May 2021

Dear Parents and Carers,

It is hard to believe that we are already at the end of another half term! We hope that you all have a lovely week off next week. Please remember that Monday 7<sup>th</sup> June is a Training Day, so children will not be coming to school on that day. When we come back after half term, our topic will be The Seaside (past and present).

<b>Literacy</b> We have been finishing off our Great Fire of London diaries, editing them and writing them up to go on display.	<b>Numeracy</b> We have been finishing off our learning about money and we have been doing a bit of revision of strategies for arithmetic.	<b>Topic</b> We have been finishing off the Relationships and Sex Education aspects of our PSHE curriculum. We have also been learning about Sikhism in RE and using some instruments in Music.
--	---	--

### Homework

<b>Reading</b> Please read with your child as often as possible and write any comments in the record book.	<b>CLIC Learn-its</b> Our learn-it's are: $7 + 9 = 16$ $5 + 7 = 12$ $3 \times 2 = 6$ $4 \times 2 = 8$
<b>Spelling</b> There will be no spelling test on the first Friday back (11 <sup>th</sup> June). We will set new spellings after half term and the first spelling test will be on Friday 18 <sup>th</sup> June.	<b>Literacy / Maths</b> We won't be setting a task to do over the holiday. You might like to do some of the suggested Topic Homework Activities below if you have not already done so.

## Topic Homework Activities

These activities are optional, so you DO NOT HAVE TO do them with your child. However, you might enjoy doing some of them. If you do decide to complete any, we will be more than happy to mark them. 😊

1. In science, we have learned about different life cycles. Can you draw the life cycle of a creature you have imagined? Challenge yourself by labelling all the changes that happen to your creature - be imaginative!
2. In history, we are learning about the Great Fire of London. There is a famous song called 'London's Burning'. Can you learn this song and perform it to an adult? If you would like to share this with your class, please ask your teacher!

3. In school, we are learning about changes to our bodies as we grow up. Can you find a photo of you as a baby and take a photo of you now, and identify and label what has changed?
4. In geography, we are learning about continents and oceans. Log onto the internet with an adult and load this webpage: <https://www.dkfindout.com/uk/earth/continents/>. Can you discuss, with an adult, what differences you think there might be between the continents and the people, creatures and plants that live on the different continents?
