

Task: Make your Spring Term art work for your Record of Achievement!

Make it as colourful and detailed as possible as a record of what you've done this term.

On page 2, there are Spring word art ideas that you could use to copy or get inspiration from for your title.

We want you to take your time with this and present your Spring Term in a creative and imaginative way.

Below are some ideas of the things you could include from things we've done this term:

- Jobs you may have done (for teachers, milk, registers etc)
- Buddhism
