Over the next few weeks Christians across the world will be celebrating the festival of Easter. This is a very important festival to Christians, as important as Christmas. It is the festival in which they remember their belief that Jesus died on a cross and was resurrected (came back to life).

You have been learning bible stories about who Jesus was and why he is so important to Christians and now we'd like you to find out more about the Easter story.

First, watch this story to help you understand what Christians believe Easter is about and why it is celebrated. <https://www.biblesociety.org.uk/get-involved/holiday-club/>

Then, have a look at this website to find out more about the story of Easter and the days leading up to Easter Sunday.

Lastly, choose to complete one (or both!) of the Easter activities below.

1. Design your own Easter Egg – try to decorate your egg by showing both what Christians believe Easter is about but also what you feel Easter is about for you and your family.
2. Log onto PurpleMash. Go to **Topics > Celebrations and Faith > Christianity > Easter**
Explore and have a go at the different activities. Do as many as you like and remember to save them so that your teacher can see your work.
