Beth is going to the cinema.
She needs to be in Leeds for 4 o clock.
She can either:
- Get the twenty past three bus that takes half an hour.
- Get the half past three train that takes 30 minutes.

Should Beth catch the bus or the train?
Explain why.

Kassie records the time every half an hour.
Her sequence looks like this:

Quarter past 11, Quarter to 12, Quarter past 12, Quarter to 1

What do you notice?
Can you explain why this happens?

Aimee is planning her birthday. She wants to plan something to do from 9am to 5pm.

Here are the things she wants to do:
- Visit the zoo (3 hours)
- Go to Pizza Palace (1 hour and a half)
- Have breakfast (half an hour)
- Play party games (1 hour)
- Watch a film (2 hours)

Create a timetable for Aimee's day.
Compare it to your friends – is it the same?
