

# 6th School Council Meeting

## 2nd May 2018

1. WOW! We raised £47.60 through our second hand book sale. This brings our **fundraising total** for the year to **£247.60**. We talked about how to spend this money on making Healthy Lifestyle Week a big success. We agreed to order indoor and outdoor equipment to make our playtimes even more active. So we will order more skipping ropes for outdoor play and a set of speed stacking cups for each class for indoor play.
2. We also discussed how we can make **HEALTHY LIFESTYLE WEEK** a bigger and more memorable event this year. So we drew up a first plan to discuss with Miss Bassett and Mr Aston:
  - ♦ to offer different activities during playtimes throughout the week (Wake Up, Shake Up; skipping; speed stacking cups)
  - ♦ to have free flow back for a week
  - ♦ to end the week with our popular fundraising event 'Buy and extra playtime'.
3. Sadly, Mr Aston is leaving ESJ at the end of the school year. So it's our job to help the school find a new deputy head. We prepared our interview questions for next week's deputy head interviews.
4. Finally we looked at the new school displays and gave feedback. What fantastic work!!!

### ACTION POINTS:

- School Council members to interview candidates for deputy headship on Wednesday 9th May in the afternoon.
- School Council members to return permission slip for helping at Summer Fayre by Tuesday 22nd May.

### NEXT SCHOOL COUNCIL MEETING:

Wednesday 6th June 2018
