

## Year 1 Newsletter

W/C 12.10.2020

We have two more weeks of Super Me! We are enjoying learning alongside the children and getting to know them really well.

This week we have seen some great number work and children recorded addition number sentences. Please check that your child recognises all the numbers up to 20. In class we have been practising numbers up to 100 however there are some children who are not yet completely secure with teen numbers. In Literacy we can see some great progress in writing already. We are focusing on handwriting and if children do any writing at home, please encourage them to write on lined paper. Sentences should start with capital letters and remind children of finger spaces and full stops. Thank you.

<b>Literacy</b>  Argh Spider!	<b>Numeracy</b>  Number bonds to ten Addition up to ten/twenty
-------------------------------------	---

### Homework

We will be sharing the homework during the last week of term. We will talk about each homework and put the work out on tables for others to see and for children to have a chance to talk about their work.	
<b>Reading</b>  Please continue to read with your child daily and sign their green reading record book so we know that their book has been read.	<b>CLIC Learn-it's</b>  $2+8=10$ and $8+2=10$ $7 + 3 = 10$ and $3 + 7 = 10$ $0+10=10$ and $10+0=10$
