

## **Year 4 English Home Learning Tasks**

Here are some English activities for you to do at home this week. All of these activities will be going over things that we will have covered so far in Year 4, giving you a chance to practise them. We want you to complete one literacy task a day, like we would be doing at school! You can do these tasks in any order. Have fun!

- Have a go at the fronted adverbials task saved on the website. Once you've completed this, use the fronted adverbials word mat to have a go at writing some super sentences which include different fronted adverbials.
- Use the BBC Bitesize website link to practise your learning about expanded noun phrases. Once you have done this, try the 'identifying expanded noun phrases' worksheet that is saved on the website.
- Write a letter to your teachers about your Christmas holidays. Try to include lots of detail by using adjectives to describe. Challenge yourself to try and include some fronted adverbials in your writing. You could use the word mat on the website to help you with some ideas for this.
- Watch the short book trailer for Tom Trueheart. Have a go at writing an opening to the story, describing the setting before introducing the character of Tom.
